Three Murder Charges to Be Tried At November Assizes-Duty of Government

There are three charges of murder to be tried at the assizes which open in Toronto Nov. 18. This in itself makes this term of court the most important that has been held in the city in years. Added to this, there is the fact that in two of these cases, each case relied upon by the prosecution is to be welded of purely circumstantial evidence. To handle these important charges will be a sufficiently delicate and ar-

duous task for the most brilliant ta-tent, and it behooves the government to consider well the man chosen crown

The board of railway commissioners for Canada will meet in the city hall on Tuesday and Wednesday, October 12 and 13.

Among the cases on the agenda for Tuesday are applications of the city to compet the least title of evidence that may have a bearing on the victim be a wealthy and influential citizen or a poor and unknown allen, the strong arm of the law will be the strong arm of the law will be stretched out to the uttermost ends of the earth, rather than that crimes of violence should go unpunished.

The Grand Trunk asks for a decision on the responsibility for accidents at interlocking plants.

The City of Guelph asks for better

pression of crime. The best possible men should be chosen.

A man's fellow workers know best his ability and among the legal profession the name most frequently heard as the fitting man to perform the onerous duties of crown prosecutor is that of H. L. Drayton, K.C. By that time Mr. Drayton will have ceased to hold the office of county crown attorney, which he has so ably filled for many years. There could be no fitter man chosen to handle this, the most important assize court that has been held in Toronto in a long, long time.

IN SOCIETY.

railways has approved of two important changes in the route of the Canadian Northern Ontario Railway.

One is in the Township of Scarboro, east of Toronto. There the new route

VOTES FOR WOMEN

Street Railway Men Favor Extension of Franchise.

By a vote of about three to one the convention of the Amalgamated As-sociation of Street and Electric Railway employes yesterday supported a reso-lution in favor of the suffrage for women. The discussion lasted practically all morning to the exclusion of the other matters on the sessional agenda. The afternoon was given over to a trip to Niagara Falls, practically all the delegates going along.

It is expected the election of officers will take place on Friday.

Italians Honor Hudson Discoverer. YORK, Oct. 6.-Contending NEW that in the discovery of the Husso River, as in the case of the north pole there is "enough honor for two," 000 Italians, smothered in flags, ing and gay uniforms paraded down Eroadway to the nattery this afternoon, where they unveiled a statue of Giovanni de Verrazano. Italians maintained that Verrazano discovered the Hudson in 15%.

Gold Near Night Hawk Lake. A report has reached the department f lands, forests and mines of the discovery of gold bearing quartz not far from Night Hawk Lake, near the Township of Whitney.
