

GRAND RIVER.

During the past year we have succeeded in repairing the mission church at a cost of \$361. The Missionary Society granted \$100. The rest we have raised from other sources. We still have a debt on the church of \$74, which we expect to pay off the coming year, besides making other necessary improvements on the mission property. It is very necessary that if we, as a Church, would not only hold our influence among the Six Nation Indians, but extend that influence, we must be willing to expend more money in improvements, as well as provide a more comfortable parsonage for the Missionary's family. Of the six years' labour on this Mission the past year has been the most laborious and prosperous of all. The two day-schools superintended by the Missionary, are doing a good work, in charge of the two teachers. The Sabbath-school at the mission church, under the direction of Mrs. Hurlburt, is exerting a good influence over many of the Indian children. To attend the four appointments on this Mission, look after the two day-schools, and visit the people, necessarily occasions much travel, and the necessity of keeping a horse, though no grant is made from the Mission Fund for this purpose. We think there should be. Our prospects are good. Members, 108; Increase, 8.

MUNCEY.

The past year has been one of prayerful anxiety and earnest labour, which, by the blessing of God, has resulted in diffusing a feeling of confidence among the people, and in the enlargement of some of the congregations. The society and congregation at Halfmoon's Church, which have been small for many years, have both been about doubled. After making a large number of excisions we report an increase in the membership of three. Total number of members, 138. We report an increase of \$18.04 to the Missionary Fund, and of \$41.20 to the funds of the Mission. The year has been one of general prosperity and of harmony and peace.

ONEIDA.

We have had many seasons of refreshing. Five weeks of special services were held, which resulted in considerable good. We have endeavoured faithfully to preach the gospel, and we think our labor has not been in vain. A new frame school house has been built and paid for. The school is in a prosperous condition, with an average of about 35.

Having spent ten years in the Indian work, I now leave it with mingled feelings of sorrow and joy; sorrow, that I have not been more successful in my work; joy, that I have been counted worthy to preach the unsearchable riches of Christ to the Indian people, and that some have been won to Christ through my feeble instrumentality, whom I hope to meet with the redeemed before the throne. Members 50, on trial 5. Total, 55.
