Sunshine for Sunday Schools.

MUSIC BOOK BY P. P. BLISS.

Is your Sunday-school bright? The SUNSHINE will make it brighter.  
Is it dull? The SUNSHINE will enliven it.  
Is it cold? SUNSHINE is warm.  
Is it dark? SUNSHINE is light.

"Welcome, sweet sunshine  
Thy bright reign begin;  
Beautiful sunshine  
Come in, oh! come in."

A few established favorites. Mostly new, with new features. A concert department. A Saturday afternoon department.

"I have examined the new Sabbath School Song Book, 'Sunshine,' and am very much pleased to find it so full of lively, cheering, and bright original songs suitable for every requirement in the Sabbath School work, both sentiment and song being very appropriate, happy and attractive. The arranging of Scripture recitation and song so nicely together for use at anniversaries is quite an attractive feature also, and with the very select pieces, suitable for school concerts, will add to its value and especial predominance of usefulness above any of late published."—JNO. KENT, *Alice Street P. M. S. S. Toronto.*
