

WHERE WILL BIG FIGHT TAKE PLACE

San Francisco Can Have it
But Best Offer Will
Carry

RICKARD IN OGDEN

Bout—Bowling, Curling and
General Sporting News of In-
terest to Times' Readers

San Francisco, Jan. 15.—Official announce-
ment has been given to Jack Gleason
that he can hold the Jeffries-Johnson fight
in this city on July 4. Supervisor John L.
Herget, formerly Young Mitchell, a boxer
who is chairman of the police committee of
the board of supervisors before which the
applications for fight permits are heard,
said he believed Gleason to be sincere in
his attitude of independence toward Tex
Rickard and that he would give the local
promoter his support.

Ogden, Utah, Jan. 15.—Tex Rickard is
Ogden to meet a local committee working
to bring to Ogden the Jeffries-Johnson
fight. It is said that the mayor will offer
no opposition to the match if it is held
at a "boxing contest." Rickard said
that San Francisco would not get the fight
if enough inducements were offered to take
it elsewhere.

Stanley Ketchel has cabled to Hugh
McIntosh, the fight promoter, that he is
willing to meet Tommy Burns in Australia.
The match probably will be made for Syd-
ney, about Easter. Bob Fitzsimmons will
train Ketchel.

Albert Delmont and Biz Mackay have
been rematched for a 12-round contest at
Lawrence next Thursday night.
Also Mackay, the Boston representative
of Tommy Stagg, is anxious to match
him against Billy Nixon. George Alger
or any other boy who will agree to box
at 122 pounds.

The Lewiston A. C. outfit its oppo-
nents for the Maine light-weight cham-
pion match between Tommy Berman and
Mike Cunningham, clubs at Augusta
and Portland were also after the event.
Tommy Foley failed to appear for his
bout with Tommy Furey of Attleboro
Wednesday at the Apollo Club, Salem.
Johnny Glover, of South Boston, took
his place and put up a good fight, the
men battling twelve rounds to a draw.
Furey forced the fighting from start to
finish, but Glover put up a great de-
fensive battle. Furey could hardly get a
glove on the Boston boy during the first
part of the mill, but did better as the
fight progressed.

Baseball

Jiggs Donohue, former first baseman
for Comiskey's White Sox, may become
owner and manager of a Chicago semi-
professional baseball club if negotiations
under way are concluded. Donohue
has been dickering for the purchase of
Anson's park and for Anson's franchise
in the city league, with prospects of clos-
ing the deal.

Charles Wagner and Ambrose McConnell
are in line with the Boston Red Sox for
next season. Their signed contracts have
been received.

Pitcher Jack Chesbro finds himself in a
quicker predicament. Last summer the New
York American League Club sold his re-
lease to the Boston Red Sox with the pro-
vision that if the big pitcher was to be
signed this season a certain sum of money
would be paid by President John I. Tay-
lor.

Chesbro pitched one or two games for
the Red Sox and a batted heavily, but
Taylor was not convinced that Jack had
seen his best days. Recently Chesbro
was asked to go to Hot Springs on Feb. 1,
but he refused, saying that he could not
begin pitching until late in the season.
Cause of his lumber business in Conway,
Mass. So the Red Sox magnate decided
not to bother with Chesbro and declared
that he would turn to other famous pitch-
ers back to the bullpen.

But President Farrell of the New York
club said that Chesbro is now Rockwood
pitcher of the Red Sox and that the High-
landers did not care to take him back.

Mans Lobert, captain and president
of the Cincinnati Reds, will receive a con-
tract which will probably mean his re-
turn from the team. Last year he got a
raise of \$100, for which he kicked might-
ily on the strength of his record of the
year before. He was not a success last
season, as men are supposed to be in Can-
cun. Therefore Manager Griffith had
asked him to sign for a much lower figure.
That he will refuse to sign is conceded
by his friends. They say he should get
a raise if anybody else does. It is known
that Herrmann is trying to trade him to
Murphy and that the club no longer has
room for his services.

Manager Patsy Donovan says no catcher
has anything on Billy Bergen, when he is
right.

The Harvard baseball management has
given up all idea of getting Christy Math-
eson to coach the pitchers. Eddie
Croft, Alfie Jones, Bill Donovan and
Montgomery Brown are under consideration.
The Chicago Cubs have just received
their trophies for winning the Chicago city
championship last fall. Each man was
given a gold pin of old design. It repre-
sents a bear cub sitting upon a pair of
bats, crossed over a ball, holding in his
paws a solitary diamond.

Athletic

"Mister" Ernie Hertzberg, the Yankee
trainer and manager of long distance and
marathon runners is going to get by
with black-baggage challenge to 10 and
15-milers. It will be remembered that
Hertzberg challenged the world-lar Shrub-
holme and Swaberg, to produce a man
to beat a new Swede he has named
Ljungstrom, and demanded \$500 a side
bet. George W. Lawrence of Rockwood,
manager for Fred Meadows, has written
Hertzberg, accepting the challenge and
side bet. Lawrence says he would have
Meadows run the new Swede any place
before the new Swede runs his first mile.

The Formation Of Stomach Gases

Many Different Causes are Concerned in
Gaseous Accumulation in the Stomach.

A Trial Package of Stuart's Charcoal
Lozenges Sent Free

In cases of chronic gastric catarrh the
secretion of digestive juices in the stom-
ach is deficient; the food is digested slowly;
the secretion is not normal; and fer-
mentation occurs with the evolution of
miasmatic gases.

It is evident, however, that a consid-
erable time is required to allow gas to be
formed in any large quantity in the
stomach, and therefore, flatulence from
this cause is not likely to occur until some
time after food has been eaten. If the
stomach, or opening from the stomach in-
to the intestines does not close properly,
gas may pass from the duodenum into the
stomach, and distend it; and such disten-
tion may occur at any time of the day
or night, and is not entirely dependent
upon the decomposition of food in the
stomach, although this may be a promi-
nent cause in many cases.

There is still another cause of excessive
flatulence, and that is the swallowing of
air. There is no doubt about air being
carried down into the stomach by the food
eaten; but it is also known that liquid
food, such as milk, carries air into the
stomach, and that food, such as food, do.
STUART'S CHARCOAL LOZENGES
were especially designed for the relief and
cure of stomach and intestinal gas-formation
and accumulation, no matter what
the cause may be. Over a century ago
physicians discovered that charcoal pos-
sessed wonderful powers of absorption,
not found in any other remedial agent.

Stuart's Charcoal Lozenges are highly
recommended by all sufferers from flatu-
lence or gas in the stomach and other
parts of the alimentary tract, as the only
remedy which has given complete relief
from all such disagreeable symptoms. Many
persons who had been using various other
drugs, and who had been told that they
were suffering from indigestion, have
obtained immediate relief and a per-
manent cure by using Stuart's Charcoal
Lozenges.

These little lozenges will absorb one
hundred times their own volume in gas;
they will absorb all the miasmatic gases,
germs, and deodorizing, oxidizing and
destroying all foul odors.

team defeated the Crescents of Halifax,
score 6 to 4.

VICTIM OF STORM DIES IN STREET

Providence Woman Falls Ex-
hausted in Battle With
Wind and Snow

WAR RELIC'S WORK

Shell From Spanish-American
War Wrecks House—The Ball-
ingier Pinchot Controversy—
Line-up for Battle in Nicaragua
on Chamorro's Arrival

Providence, R. I., Jan. 14.—Battered by
the high winds which drove a swirling
snowstorm upon Providence today, Mrs.
Mary Doonan, 22, of 37 Willow street, fell
exhausted in Westminster street this eve-
ning and died a few minutes later in a cab
in which she was being taken to her home.

Patrick Wall, home unknown, was pic-
ked up in a snowdrift in Broadway, where he
had fallen exhausted and was taken to a
police station for treatment. He will re-
cover.

Norfolk, Va., Jan. 14.—A one-pound shell,
being kept as a Spanish-American war
relic, exploded today in a house near the
United States Hotel in Norfolk. The shell
mouth, when children struck it against a
nail. The side of the house was blown out
and Matilda Clark, colored and her two
children, were badly injured. Younger
child, lost one hand and Carrie, the
younger, may lose her sight.

Washington, D. C., Jan. 14.—The ques-
tion of whether witnesses in the Ballingier
Pinchot investigation shall be permitted
to be represented by counsel and if so
what limitation shall be placed upon them,
is proving a serious problem to the com-
mittee of the senate and house who meet
today. It was practically decided that
when a witness found himself accused of
wrongdoing he should not be denied an at-
torney. It follows, therefore, that former
Forester Pinchot, who was dismissed from
the government service by order of the
president, will be entitled to have his law-
yer with him through the congressional in-
vestigation. Secretary Ballingier likewise
will be permitted to have his attorney pres-
ent at all times.

Whether ex-assistant forester Price, ex-
posed officer Shaw and ex-field agent Glavis
will be allowed counsel has not been de-
cided. Some members of the committee are
of the opinion that the only way to get the
committee to look after the interest of all
the witnesses is to allow them to have at-
torneys. Some names are drawn into the in-
quiry but no agreement was reached on this
point.

An effort is being made by the commit-
tee to prevent a forensic gathering in the
tribunal which would be likely to prolong
the case.

Bluefield, Jan. 14.—General Estrada,
Maty and Zeledon with 1,200 men, who
have been detained by rough seas for a
week, will leave Bluefield for Costa Rica
today, using the transporta Ustain and
Onetope and the gunboat Blanco.

General Chamberlain match has been arranged
between Willie Hoppe and Ora Mor-
gan in Pittsburg on February 2, 3 and
4. The prize is \$1000 and the gate re-
ceipts. Each has posted a forfeit of \$250.
The play will be 18-2 ball line, and there
will be three innings of 200 each. The vic-
tor will play Calvin Demore, who won
this year's tournament.

Mrs. William Thompson

Richibucto, Jan. 13.—The death of Mrs.
William Thompson occurred suddenly yes-
terday afternoon at her home in town. It
was a shock, not only to her husband and
relatives, for whom great sympathy is felt,
but for the whole community. She had
been out making purchases, seemingly in
her usual health, only the night before.
Besides her husband and four children,
children, only one son and ten months
old, she is survived by her father, Allan
Haines, Sr., and four sisters and three
brothers, besides a large number of other
relatives. The sisters are: Mrs. J. M.
O'Brien, Richibucto; Mrs. Oswald Adams,
Boston; Mrs. Alfred Haines, Mon-
cton; and Mrs. James Haines, of Camp-
bellton.

ALUMNI OF U.N.B. AT BANQUET TABLE

Dinner in Dufferin Attended
by About Sixty Graduates—
The Proceedings

An enjoyable, inspiring and successful
function was the dinner and reunion of
U. N. B. graduates held last evening in
the Dufferin Hotel. From the class of '37
to the class of '09 the men who have gone
out from New Brunswick's chief educa-
tional institution were represented by about
sixty-five of their number. The function
was all the more delightful because it was
as nearly informal as a convention allowed.

It was felt by the graduates, who were
present, that last night's affair was a red-
emptive event in the history of the univer-
sity. Bringing together, as it did, a large
proportion of the men who had received
their training at U. N. B., the dinner
could not fail to result in lasting good
to both the college and the Alumni Society.
Enthusiasm was high, and when Chan-
cellor Jones said that the greatest need
of the university was more funds and to
meet this need the provincial grant should
not only be increased, but individual con-
tributions should be made by the gradu-
ates themselves, his remarks were heartily
endorsed.

The dinner was but two toasts, and these
were well spoken to, but several brief
happy speeches and good songs rounded
out the evening. The house was fairly large
and the dining room of the Dufferin Hotel
was tastefully decorated for the occasion,
and an excellent menu was provided.

W. S. Carter, Chief Superintendent of
Education for the Province of New Brun-
swick and president of the U. N. B. Al-
umni Society, presided, with Chancellor G.
