ALL THE NEWS OF THE SEASON'S SPORTS.

MIKE TWIN SULLIVAN IS AFTER BATTLING NELSON

Owen Moran Issues a Challenge--Philadelphia Jack O'Brien and Jack Munro to Meet.

Ben Benton, the Boston sporting man and able promoter, is in receipt of a letter from Jack O'Brien of Philadelphia to the effect that the popular Quaker pugilist is ready to fight again. O'Brien writes to Benton to the effect that he has arranged a limited round bout with Jack Munro and declares that if nothing happens the two will have it out some time next month. O'Brien does not state where the mill will be held, but in all likelihood the pair will meet at Philadelphia or Baltimore. Munro has not done much fighting since he was defeated by Jim Jeffries in a punch about a year ago. Some think that in view of the fact that he has the advantage in weight and that he has strength in his favor he may be able to best O'Brien.

A Good Bout

MARLBORO, May 27 -- In the best fight that has ever taken place in this city the honors were awarded to Sam Langford of Cambridge, over Young Peter Jackson of Baltimore. The mill went fifteen rounds at the Marlboro A. C.

Mike Twin After Nelson

Boston American--Battling Nelson need not go to Philadelphia to get a six-round bout, as Mike (Twin) Sullivan is willing to take him on if any club will make the match. Twin is anxious to have the Chelsea Club negotiate for Joe Gans or Willie Lewis, as he will meet either boy, and the boys would be a big drawing card in the Hub.

MODERN SAMSON HAS DELILAH'S

Hackenschmidt in Paris Encountered Many of the Charmers.

A professional musician of the heroic order gets almost as many incentives to "idleness" as a "beauty actor." George Hackenschmidt states in quaint German-Slagh, that he found Delilah more numerous, beautiful and sedulous in Paris than in any other city where he had remained. Wrestling was the fashionable amusement when he struck at dem all, and an Algerian and a Turk calling themselves champions. Some of der laydies led der Algerian--one of dem led der Turk. Well, I trow der Algerian; I trow der Turk; den all der laydies dey let me look beautiful greivious in such low neck dresses! Der bodices cot so low dat dey vos' arily vorth der drabble of padding on, dey make so leetle covering for der bodices. I look at dem all, and I don't know vich to pick, and I tink, "Well, der Algerian and der Turk, I don't wonder I trow dem so easie."

The World's Tallest Man

Ivan Machnow is the tallest man that has ever lived, and he stands 7 feet 9 inches in his socks and weighs 290 pounds, although he is only twenty-three years of age. This extraordinary man was born in Charkoff, Russia. When he was seven years old he was as big as an ordinary man. At twelve years of age he was 6 feet 1 inch. When at Warsaw, Machnow was drafted as a recruit for the Imperial Guard, but he quietly slipped over the frontier to avoid serving. His journeys are not a source of pleasure to him, for both on the train and on the boat he has to spend most of his time in a recumbent position. He was met at London by a van comfortably upholstered and fitted with a huge couch for the giant to recline on and drawn by four horses.

When a company of men have had a jolly time, the only thing that will reconcile them to breaking up and going home is the singing of "Auld Lang Syne" in promiscuous discord. Then great tears are seen to course down manly cheeks, and agony is depicted in convulsions of torture and despair.

It is the successful physician who does not let well enough alone.

Was Not Able to Walk For Three Months. Was Given Up to Die. The Doctor Said So. Burdock Blood Bitters Saved Her Life.

Read what Mrs. Wm. Castellous Newport, Quebec, has to say about Burdock Blood Bitters. "I was in December I fell very sick after confinement, I was not able to walk for three months, and was given up to die by the doctor. My husband read of the many wonderful cures made by Burdock Blood Bitters, so procured me two bottles. After using it for about ten days, I was able to get around, and could mind my baby without help from anyone, and am now well, and able to do my own work. I told a lady friend of mine who was troubled in the same way, and she used it with equal success. I cannot too highly recommend your medicine, for I know just how good it is, and hope and wish that any one suffering as I did will give it a trial."

THE AMERICA'S CUP

Composed by Capt. Thomas Suttie in New York Maritime Register. Sir Thomas Lipton is a sportsman indeed, and I am sorry his Shamrock was lacking in speed; but he is after that Trophy, and will not give it up. Till he carries off in triumph the America's Cup. He is coming again with Shamrock Number Four. And his friends they will greet him as they have done before; For John Bull is waiting quite patient they say. For a drink from the Cup that is still far away. Herrshoff's latest was up to the mark. And left the bold Shamrock behind in the dark; But Thomas Lipton will not give it up. Till he gives Cousin Edward a drink from the Cup. Shamrocks are all right while they are on the green sod. But they don't seem to flourish transported abroad; 'Round the lakes of Killarney they are given up. But they are not in it off the New Jersey shore. But four-leaved shamrocks are lucky they say. And on New York Yacht Club must mind how they play; But with a Herrshoff "Joker" they will give it up. Against any challenger of Old Navewick.

Owen Moran Challenges

Owen Moran, the clever English bantam who made such a fine impression by defeating Monte Attell in private recently, is out with a challenge through his manager, Tom O'Rourke, to meet any 118 pounder in the business. O'Rourke has named Tommy Murphy of Harlem, Hughie McGovern and Frankie Neil as prospective opponents. O'Rourke declares though that he will not entertain any matches unless the above-named fighters make the required scale. O'Rourke has the utmost confidence in Moran's ability, and is ready to bet \$2,500 on the side in the event of a bout being arranged. O'Rourke adds that he will post a forfeit as an assurance that he is strictly in earnest as soon as there is a chance of arranging the bout.

The Englishman Won

LONDON, May 29 -- At the National Sporting Club tonight the contest between "Jock" Bowker, the present bantam champion of England, and "Pink" Evans, of Yonkers (N. Y.), for the bantam championship and a purse of \$3,750, went to the full 20 rounds. Bowker was an easy winner on points.

THE OAR

Aquatic Attractions NEW WESTMINSTER, B. C., May 29 --George Howes, or James Stanbury, whichever may be champion carman of the world after their match in July next, will defend the title against all comers on the Fraser river during the Dominion exhibition, which opens here on September 27. The big act of action was definitely secured this morning in a cable message received by the fair manager from Howes, in reply to the latest offer made to him. He says that if he is successful against Stanbury in July he will be here on the conditions offered, and prepared to defend his title against the world. Stanbury, who was previously heard from, is prepared to be here in any event. The offer of the management for a double scull championship race is also satisfactory to both Australians, and when they arrive here to row for the single scull championship they will be prepared to meet any other pair of oarsmen in the world. This together with the amateur sculling challenge, offered by Scholes to any competitor, and the prospective acceptance of same by Bennett, of Stanford, will present grand attractions along the aquatic line. The purse for the single scull championship will be \$500 and \$250 for the double scull race.

THE ATLANTIC WINS RACE AND BREAKS THE RECORD

The American Schooner-Yacht Atlantic and Skipper Charlie Barr.

The Lizard, Eng., May 29--The Atlantic finished the yacht race at 9:18 p. m. Captain Barr was hailed by the correspondent's boat. He said the Atlantic made an average speed of ten and a half knots since leaving Sandy Hook. The Atlantic proceeded for Cowes by way of Southampton, intent on beating the record. After passing Selly the Atlantic was calmed and had 12 hours to drift. At the Lizard she met a tremendous sea swell and for some time drifted backwards and forwards.

BASEBALL

Eight Innings and No Score

The game of ball last evening on the Victoria grounds, between the Y. M. C. A.'s and Jubilees, would indicate that the boys were getting down to business. It was a fast, clean game and though eight innings were played neither side scored. The Jubilees got a man as far as the plate in the sixth, but he was put out there. Hodds of the Jubilees pitched good ball, as did Gilmore of the Y. M. C. A. A feature of the game was the splendid play in which Gilmore fielded his position, having made catches in any of the infield. On a two base hit a Jubilee player at second tried to score. A quick return by Small and a true throw to the plate by Gilmore put the runner off. The next game will be played on Wednesday night, when the Y. M. C. A. and Jubilees will meet again. The teams were: Jubilees--Lee, catcher; Hodds, pitcher; Stubbs, 1st base; Romney, 2nd base; Francis, 3rd base; Wolfe, short stop; Totten, left field; Murphy, right field; Bent, center field. Y. M. C. A.--Palmer, catcher; Gilmore, pitcher; McCafferty, 1st base; Clawson, 2nd base; Ledington, 3rd base; Heane, short stop; Everett, left field; Murphy, right field; Small, center field.

Championship Tournament

BOSTON, May 29 -- The first day's play in the annual championship tournament of the New England Inter-collegiate Tennis Association, on the courts of the Longwood Cricket Club today, resulted very favorably for Williams, although Dartmouth and Massachusetts Institute of Technology also showed up strong. The entire first round and two matches in the second in the singles events were played during the day, and a start made in the doubles. The Williams team, Northrup and Smith, won their matches in the first round easily, Northrup also took his contest in the second, while the pair made a good beginning in the doubles by defeating the strong Bowdoin team, Tobey and Laidler. Both Dartmouth players won their matches in the first round, while Wallis managed to capture his in the second, after the best contest of the day, with Adams of Wesleyan. It is expected that the tournament will be finished by Thursday.

THE TENNIS

Martello's 9; St. Roses 10.

The Martellos defeated the St. Roses team 9 to 2 in the West End league series last evening. Downey and Keenan and Connors and Burpee were the batters. The feature of the game was the batting of the boys in grey. Tonight the Victoria and Jubilees will play.

Newman's 7; Milwaukee's 1.

The Newmans and Milwaukee's St. Peter's base ball league played last evening, and the former team won, the score being 7-1. The Newman's pitcher struck out 12 men, and the Milwaukee's pitcher nine men. An excellent one-hand catch was made by Dolan, left fielder of the Newman's, who caught the Schumrocks and Kennards will play.

May Depose Bannan

BUFFALO, May 25 -- President J. Kreitner, of the Montreal Club, it develops, was in close consultation with the club's directors and Third Base man J. Casey, of the Chicago National League Club, last Sunday, at the Hotel Victoria, New York, just before the Eastern League went into session. Casey had previously had a long talk with President P. T. Powers, in the latter's office. It develops that Mr. Kreitner is far from satisfied with the results that have been attained under Jimmy Bannan, and is seeking a new manager, and it is believed that Casey will be the man, providing he can secure his release from Chicago. Casey is a former Eastern Leaguer, having played with the champion Toronto Club a few years back. Charley Dooley, who formerly managed the Rochester and Montreal Club, is looking for a managerial berth. Not long ago he asked President Powers to use his influence in placing him somewhere on the Eastern League circuit, where conditions might not be altogether satisfactory. Dooley holds a government position, but can arrange matters so as to be able to take a vacation lasting throughout the baseball season. It is believed that President Powers favors placing Casey in charge of the Montreal club, but in case there is a hitch in the proceedings, Dooley may land the berth.
