Bellisle Boy Dies In War
News of Supreme Sacrifice Comes to Mr. and Mrs. Albert W. Clarke

The word that their gallant son had made the supreme sacrifice for Empire and home, in the great war of nations, came on Saturday in a telegram received by Mr. and Mrs. Albert W. Clarke of Holderville, formerly of Bellisle Creek. It told of the death of their son, Weldon, on September 18. Particulars were not given, except that he had been shot. The young man had gone west two years ago and it was there that he enlisted with the Second Canadian Contingent. Besides his parents he is survived by one brother and two sisters.

EIGHT ON HONOR ROLL; ARE WEARING KHAKI

Fairville Methodist S. S. Rally—Baptist Service Discontinued as Lights Went Out

The annual meeting of the Fairville Methodist Sunday school was held yesterday afternoon and in spite of the inclement weather there was a good attendance. J. Hunter White of St. John delivered the annual address and was attentively followed. Wm. Symonds, representative for the quarterly official board of the church spoke, for that body and Rev. Gilbert Egan, the pastor, also addressed the gathering.

An interesting item on the programme was the reading of a roll of honor of the eight young men of Methodist connection who have answered the call and donned the khaki uniform. They are Harold Hanson, Roland Green, Walter Scott, Herbert Ferris, Cyril Hanson, Guy Ferris, Frank Linton and Percy Symonds. The reading of the list was followed by singing of the national anthem.

The decorations of the school room for yesterday's service were a feature in themselves, the flowers especially receiving much favorable comment.

A rally of the Baptist Sunday school scheduled for last evening was postponed owing to the severe storm. A good start had been made in the programme when the church lights went out and the service was discontinued. The rally will be observed on Sunday evening. Diplomas will be awarded to the scholars who graduated.

ANOTHER HIGH SCHOOL TEACHER GOES TO WAR

Lieut. J. R. Gale Away to Sussex to Join 64th—Brother Already Overseas

Lieut. John R. Gale left at noon for Sussex where he will join the 64th Battalion. He has received a commission. He has for some time been a member of the High School teaching staff, instructor in Grade X, and has been held in high esteem by his associates and pupils.

Lieut. Gale spent the summer in Halifax, taking several courses of instruction, and besides qualifying in the machine gun branch of the service, qualified also for the rank of captain. He was attached to the 62nd Regiment. Friends will wish him success with the colors.

Lieut. Gale has a brother now overseas, Ralph Gale, serving with the 6th Rifles, also a former school teacher, having been in charge of the school at Low-Fensage.

RENFORTH FIRE DRIVES FAMILY CUT INTO STORM

While the storm was raging last night, fire, starting from the fireplace in Mrs. B. A. Stamer's cottage at Renforth, assumed such a threatening appearance that the occupants fled from the house in their night garments. Neighbors came to their aid and their energetic efforts soon overcame the blaze before much damage had been done.

ADRIFT IN GRAND BAY AND WERE IN SOME DANGER

Ocean Brought in Word and Commodore Gerow of Power Boat Club Sent Tug Which Effectuated Rescue

An eager throng of people wended their way to the water front at Indian-town this morning to obtain particulars about motor boats which had gone up river yesterday and were unable to return last evening on account of the storm. Several arrived, and none of them met with mishap.

About seven o'clock the steamer Ocean arrived and reported that a motor boat was adrift in Grand Bay, and the occupants, three men, were in danger of losing their lives. Commodore Gerow, of the St. John Power Boat Club, dispatched the tug Martello to the rescue. The heavy seas and wind had made it quite impossible for the Ocean to render aid. Considerable apprehension was felt for the men, as it was considered the boat would be swamped in the heavy sea. About 12 o'clock the tug returned with the motor boat in tow. The occupants had been taken on board and were all safe. The boat was owned by Dr. H. B. Nash.

The power boat, Dacie B., owned by Fred Barton, which was moored at Renforth, filled with water this morning and turned over on her side. The boat is of the cabin type. It was felt that unless the storm abated, she would be badly damaged.

Commodore Gerow told a Times' representative this afternoon that upwards of six boats went up river either on Saturday or Sunday, and that at two o'clock this afternoon all had returned safely except a few small ones which he considered would remain in shelter until the storm abated. He said he had been very anxious and was delighted that no accidents had been reported.

Sunk in River.
Frederick Barton's cabin motor boat sank in the river at Torbay on Sunday by the big storm. The craft was anchored off shore, but the violence of the storm was all ready to leave for France at a moment's notice. The C. A. M. C. had gone already. The sergeant had been up to London twice and had pleasant visits. "All the fellows up there still in 'khaki,'" he said, "wear green glasses—the khaki is so trying on their eyes."

WRITTEN JUST BEFORE 26TH LEFT ENGLAND

Letter From Sergeant Lewis Gifford of St. John

Writing from East Sandling, England, Sgt. Lewis Gifford of St. John, now with the 26th Battalion, in a letter to Thomas Murphy of the mailing department of the Telegraph, says the boys have been having a fine time since crossing to the motherland. The letter was written on Sept. 16, and said the 26th was all ready to leave for France at a moment's notice. The C. A. M. C. had gone already. The sergeant had been up to London twice and had pleasant visits. "All the fellows up there still in 'khaki,'" he said, "wear green glasses—the khaki is so trying on their eyes."

We received our field kitchens a couple of weeks ago, and they work excellently. We are now fitted completely from head to foot for foreign service, including gas helmets and Kitchener's boots. I've got out my hunting license and expect to have some sport when we get into the game country, which will be soon, for we are just getting ready for our final war kit inspection."

OTTAWA MESSAGE CONFIRMS SAD NEWS OF THE DEATH OF CORP. JAMES AT DARDANELLES

The last ray of hope entertained by Mr. and Mrs. Samuel James, 290 Main street, that the news of the death of their son might be incorrect, was received today by the receipt of an official notice from the militia department. In the cable received a fortnight ago, telling of the death of Lance Corporal Ernest James of the South Lancashires at the Dardanelles on August 5, his regimental number was given incorrectly and the family had a slight hope that this might mean a mistake in the identity and that it might not be their boy who had been killed in action. The communication received from Ottawa today destroyed the last vestige of this hope.

DREDGING AT BERTHS.

The Dominion government has undertaken the usual dredging to clean up the city berths at Sand Point. This is all that remains to be done in the way of preparation for the winter season at the city wharves.

"A Lift or a Load"

Mr. Retailer, how many of the brands you carry on your shelves are a "lift" and how many are a "load"?
How many do you have to push by sheer weight in order to sell?
How many actually serve to bring customers to your store and so lift your business?
It is not a fact that goods advertised in the newspapers contribute a lift?
Is it not to your interest to favor newspaper advertised products?
