"SOMETHING IN AIR," WRITES LT. CARTER

A very interesting letter has been received by E. S. Carter, of Rothesay, from his son, Lieut. Arthur N. Carter, machine gun officer of the York and Lancaster 8th Battalion, "Kitcheners" Army. The following paragraphs will be of interest to the people of St. John:

"For your great trouble about the socks I am very grateful. They will be of the greatest benefit imaginable to the men. While the government issue socks they are poor in quality, and very insufficient in number. One pair of hand-knitted Canadian socks will outlast four of government issue and be infinitely warmer. Every pair will be put to good use, depend upon it.

"Things are very quiet here largely due to the weather. Lots of mud and water in the ditches now. I have a famous pair of rubber boots issued by the government, and these are invaluable. They reach to the hips and save your thighs when you get as wet as your feet—short rubber boots are practically worthless.

"We had a very merry time in the trenches last time. After the dry summer the sand bags of which the dugouts are made, were very rotten and literally soaked in muddy water. The men, equipment, indiscriminately. It would have been humorous if it had not been so desperately sticky and cold. However, everyone practically keeps well and a day's sunshine restores everyone's temper marvellously.

"Something in Air."

"We have been in close reserve for the last few days—a mile and a half back—but each day we have been up in the trenches doing some elaborate remodeling. The M. G. section have been engaged on emplacements and dugouts of a very high order. I persuade myself. These are being made in preparation for something at present in the air."

ONLY SIXTEEN, GIRL VERY SICK

Tells How She Was Made Well by Lydia E. Pinkham's Vegetable Compound.

New Orleans, La.—"I take pleasure in writing these lines to express my gratitude to you. I am only 16 years old and work in a tobacco factory. I have been a very sick girl but I have improved wonderfully since taking Lydia E. Pinkham's Vegetable Compound and now I am looking fine."

—Miss ANNE J. AQUILAND, 8951 Teboultoula St., New Orleans, La.

St. Clair, Pa.—"My mother was alarmed because I was troubled with oppression and had pains in my back and side, and severe headaches. I had pimples on my face, my complexion was sallow, my sleep was disturbed, I had nervous spells, was very tired and had no ambition. Lydia E. Pinkham's Vegetable Compound has worked like a charm in my case and has regulated me. I worked in a mill among hundreds of girls and have recommended your medicine to many of them."—Miss ESTHER MACQUE, 110 Thwing St., St. Clair, Pa.

There is nothing that teaches more than experience. Therefore, such letters from girls who have suffered and were restored to health by Lydia E. Pinkham's Vegetable Compound should be a lesson to others. The same remedy is within reach of all.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
