C., to institute proceedings having for their object the vindication of Mr. Carvill.

## CHURCHES PLAN FOR ANNUAL PICNICS

Main Street Baptists to go to Fair Vale For Outing This Year

The Sunday school picnic season is now a matter of concern with a number of the churches in the city and plans have been made for outings on the railway and river lines. The Main Street Baptist Sunday school plans to hold its picnic on the grounds of the Fair Vale Outing Association and use the community hall as a dining-room etc. This is a departure from Sunday school outings which, it is thought, may open up a new field of co-operation with city folk having places in the country. Railway officials say they are endeavoring to make terms as light as possible so that new and novel places may be available for these old fashioned excursions. Within the next week it is expected bookings will be arranged for several more picnics on the river and along both lines of rail transportation. It is said to be desirable to hold Sunday school outings before the schools disband.

## SALE FOR DUMBELLS INDICATES GAIETY

Box Office Opens Tomorrow for Personal Selection of Seats

Last June when Captain Plunkett's Dumbls show played at the Imperial the occasion was marked by much summer gaiety. Bright gay attire, affects of automobiles from the suburbs—many from quite distant parts—and a general appearance of merriment and winter theatrical engagements. From the way the advanced ticket sale has gone on since the opening last Saturday it would appear the coming of the Dumbls this year will be similarly auspicious. A wonderful program awaits next week's audience.

The revue "Three Bags Full" is 100 p.c. sure fire hits of the best English and American vaudeville and musical comedy, also dancing music and jazz by the Dumbls' Jazz Band. There is a considerable number of original numbers sung by Stan Bennett, Red Newman, Pat Rafferty and Al Plunkett. The laughing sketches are the funniest yet, the special finishing hit being a Sherlock Holmes sketch.

Tomorrow, the holiday, at 10 o'clock the opening of the box office seat sale will take place. From then on the box office will be open from 10 a.m. until 8 p.m. daily. The mail order reservations are already large and to avoid disappointment it is well to make an early selection.

## CHURCHES ARRANGE SUMMER SERVICES

Several Are Uniting—Central Baptist Continues Its Own This Year

It has been arranged to hold united week-night prayer services in St. Andrew's church during June, July and August, in which Centenary United, St. David's United and St. Andrew's co-operate. Central Baptist, which has been included in this group, will hold its own prayer meeting on Wednesday evenings as usual.

The Sunday worship of a community character will include St. David's, Centenary and Queen Square during July and August. German street Baptist and St. Andrew's United will again amalgamate for these two months. Central Baptist, which united with St. David's in the last two summers in the Sunday services, will hold its own services this year.

It was said this morning that Central's decision was influenced largely by the desire of the congregation to have their own pastor with them as long and as constantly as possible before his retirement to another charge in the autumn.

Mr. and Mrs. Duval are working under the auspices of the U. S. Southern Baptist Association and have been in Africa for 24 years. The term of service is three years on the field, and one year on furlough at home, because of the severity of the climate.

Mr. Duval said that conditions in Nigeria are the good and the country was prospering in a material, political and religious way. Mr. and Mrs. Duval, who have been in Africa for 24 years, make their headquarters at Lagos and make trips into the surrounding country.

## Jury Plan Opposed By Scott's Counsel

CHICAGO, June 2.—The plan to determine the sanity of Russell Scott, convicted Chicago murderer and former Canadian promoter, by a group of interested persons, was opposed yesterday by Wm. Scott Stewart, Scott's attorney, who said he was unable to find a legal precedent for this procedure suggested by Judge Wm. Brothers, acting chief justice of the Criminal Court.

The case was continued until June 14. Judge Brothers held that a precedent existed in the case of Raymond Cotto, who was found sane by a court's commission and was hanged for the murder of Madeleine White.

## THIS AFTERNOON

## QUEEN SQUARE SUNDAY SCHOOL REVIEWS YEAR

Annual Meeting Hears Encouraging Reports—R. S. Stephenson Supt.

The annual meeting of the Sunday school of Queen Square United Church was held last evening with a good attendance of teachers and officers. Rev. H. C. Riles, pastor, presided. Reports from all departments for the year were received and were very encouraging.

Funds raised by the school during the year totalled \$314, of which amount the sum of \$104 was given to the maintenance and extension fund of the United Church of Canada for missionary purposes.

It was decided to hold the Sunday school during July and August at 10 o'clock instead of the regular hour, 2.30 in the afternoon. This is an experiment and will not doubt be watched with interest by the other city Sunday schools.

The superintendent reported that a new clock and blinds had been purchased for the main schoolroom. Both the C. G. I. T. groups and the Loyalty Boys' Group had very interesting reports to submit of their activities.

The Sunday school library has over 800 books. The total enrollment including cradle roll and home department is 305 and the average attendance during the year was 180.

T. The teachers were all re-elected.

## Funerals

Dr. Ives M. Anglin  
Flowers in profusion at the funeral of Dr. Ives M. Anglin today testified to the high esteem in which he was held by the community. The front row of the residence of Dr. and Mrs. J. V. Anglin, the parents, was filled with a great number of wreaths and shawls. Beautiful floral offerings. The funeral was held at 2.30 o'clock this afternoon from his parents' residence in Lancaster street, to Fernhill, the mourners going direct from the house to the cemetery.

Three of the closest friends of the doctor, Morris Earle, Richard Cushing and A. S. Chesley, with the three brothers, Arthur I. G. and Norman Anglin, were pallbearers. Services were conducted at the home and grave by Rev. H. A. Goodwin.
