SEVERAL CAMPS UNDER WAY OR SOON TO OPEN

Gillwell for Scout Leaders
Arranged for July 13-23

OUTINGS FOR BOYS AND GIRLS OF CITY

Trinity and Waterloo Scouts, S. David's Boys—Girls to Chipman

THE fourth Gillwell Scout camp to be conducted in New Brunswick will be held this summer at Lincoln, six miles below Fredericton, from July 13 to 23, and will be attended not only by New Brunswick Scout leaders but by leaders from the two neighboring provinces of Quebec and Prince Edward Island and it promises to be both the largest and the most successful that has yet been held in this province. F. E. L. Gooch, Dominion Chief Commissioner, of Ottawa, is to be Scout Master for the camp and other members of the staff will include two local leaders who are Wood Badge holders, F. Choppin, assistant district commissioner, of Saint John, and Eli Boyaner, Scout Master of the 13th Saint John troop, Fredericton. The quartermaster is to be either John Barry, of Fredericton, a Gillwell graduate, or Stewart Bull.

Trinity Scouts
The advance party for Trinity church Boy Scout camp goes up this evening to the camping grounds on Long Island in the Kennebecasis to get everything in readiness for the arrival of the whole band of scouts and cubs on Monday. The camp will be in charge of Scoutmaster Charles Upham and will be in progress from July 5 to 16.

The full scout program will be carried out and the boys and their leaders are looking forward to a very happy time. The party will pitch seven tents. Assistant Scoutmaster Victor Regan and L. Lock will be leaders for the camp and Rev. C. Gordon Lawrence, rector of Trinity, will join the party on Tuesday.

Others who will go to camp are as follows: Scouts, Harold Fisher, George Fisher, Alfred Monaghan, Kenneth Dick, Fred Powell, Bernard Graham, Harold Williams, H. Darling, F. Jackson, C. Peacock, W. Dunbrack, E. Cox, R. Meikle, W. Patchell and G. Harper, and Wolf Cubs, Douglas Ricker, Ralph Dick, Donald Hatfield, Robert McCutcheon, Hadley Grant, L. Green, Stanley Viller, C. MacDonald, Gordon Cromwell, George Cromwell and D. Stewart.

Trinity scout camp has been held at Long Island each season for several years and is always greatly enjoyed.

CAMP AT WIRRAL

The Victoria street Baptist church Scout camp, in charge of Scoutmaster Edmund Howard, at Wirral, Queens county, was visited by many friends and relatives of the campers on pitch 1. The visitors were entertained by demonstrations of the various branches of Scout work and a program of sports was enjoyed by the boys.

During the afternoon, the Scouts baseball team trounced a team composed of visitors by the score of 18 to 3. The teams were made up of the following players: Scouts, Curran, Manning, Galbraith, Mott, Logan, Bartlett, Redfern and Cochrane; visitors, Bert McAuley, Bill McAuley, Prince, Brookings, Miller, Mott, Mabey, Sparks and McFarlane.

ST. DAVID BOYS

Eleven tents deck the beautiful beach at Holders Point, where the boys of St. David's church are under canvas in their annual Camp Galahad. A heavy shower of rain was falling as the boys landed but it passed quickly and the preliminary work proceeded with dispatch and enthusiasm.

The tents are captioned as follows: Charles McIlveen, Thomas Aird, Thomas Somerville, Ronald Clark, George Donaldson and Robert Aird. The camp program is making good progress and contains several new features. Bible study, with practical lessons by Rev. Hugh Miller is held every morning at 10 o'clock. A baseball league furnishes daily thrills for the fans. Other athletics, land and aquatic, are daily carried out on a scheduled time.

The special feature of the Tuesday evening was a dramatization of the story of Joseph by ten five, the following participating: Robert Aird (captain), Donald McDonald, Parley McDonald, Earl Fraser and George Wray. This additional feature of the evening's program will be daily presented.

The boys are in the best of health and spirits, severely testing the culinary ability of F. J. Parker, the camp's chef, but he has proved equal to the demand.

The total membership is 36 and the

BACK TO American Anthracite AGAIN!

Since our stock of Welsh Coal is about exhausted, due to the miners' strike now in progress in Great Britain, we are obliged to turn back to where we were years ago, to the United States for Anthracite.

It will be remembered by thousands of Saint John people, the very high class of Coal we handled during the years 1913 to 1922, known as Radio Coal. Radio Coal is the choicest Anthracite we have located anywhere in Pennsylvania and was, until we imported Welsh Coal in 1922, the first preferred coal.

The steamer cargo of Radio Egg and Chestnut which we received a few days ago, is, with exception of a 600 ton cargo in 1913, the very finest lot of American Coal we have ever seen. We invite your inspection at our yards, 331 Charlotte Street. It is free from stone, of even size, and reasonable in price.

Place your order with us now.

EHMKE WORKS GOOD FOR MACK

Holds Former Team-Mates for 12 Innings—Yanks Lose With Ruth Out

NEW YORK, July 3.—Howard Ehmke, veteran moundman, has shown some of his former art for his new employer, Connie Mack, after two false starts. Ehmke pitched 12 innings yesterday against his former team mates, the Red Sox, but was taken out for a pinch hitter, and Joe Pate finished the contest, receiving credit for the victory when Bishop singled in the 13th to score Cochrane with the run that gave the Mackmen a four to three verdict. Bill Jacobson, obtained by Boston in the trade that took Ehmke to Philadelphia, hit two doubles and a single.

The Yanks dropped another contest to Washington, 6 to 5, the Senators rallying in the seventh to knock Thomas from the mound, Ruth and his limp were out of the game for most of the time, but he appeared as a pinch hitter in the ninth and flied out. Gehrig, of the Yankees, hit a homer and a double.

A seventh inning rally, which produced two triples, three doubles and two singles for seven runs, gave Detroit a victory over Cleveland, 9 to 3. Sherry Smith was the victim of the onslaught. Bill Jacobson, obtained by Boston in the trade that took Ehmke to Philadelphia, hit two doubles and a single.

DELICACIES
Now that the preserving season is at hand, Bill says that the fine individual jars with choice jams and jellies. They are most inviting for an invalid's tray or breakfast that is individually served.

leaders are Henry Holmes, Ed. Shaw and Don Peterson.

GIRLS' OUTING

Entries for the girls' camp at Chipman, to be conducted from July 23 to Aug. 2 under the auspices of the M. R. E. C., have been coming in more slowly than in previous years. This year there are to be three girls' camps in the province and that fact probably accounts for the smaller number of entries for the Chipman camp that was the first established and is intended to serve the greatest part of the province.

But to yesterday only 38 entries for Chipman camp had been received at the office of the M. R. E. C. but entries may still be received today and on Monday and it is expected that there number registering by the time entries close.

This year there were more than 100 applications received for the girls' camp at Chipman and a number of applicants had to be refused as it was not possible to accommodate so large an attendance.

AT BELMONT

The Lady Byng camp opened for the season at Belmont yesterday, and the 15 boys who are now under care at the camp, were declared to be the happiest crowd that the Byng camp has yet entertained in the several seasons during which it has been conducted under the auspices of the Saint John Health centre for the benefit of delicate children.

Through the kindness of the Gyro Club the boys were taken to the camp in automobiles. The Gyro Club has taken a very great interest in the camp each season. The club has provided some of the beds used and has also given the bedding, and this year it is paying the rent for the entire season. Each year the club has been responsible for the transportation of the children when they have gone out to camp or are returning to the city, and this year W. L. Gray is the convener of the committee in charge.

Arrangements are being made for a tent and an additional five boys will then go to residence.

Preacher Macgregor Not Leaving the City, as Reported.

I have travelled around this world on faith. The Lord sent me to this beautiful City of Saint John, and here I stay put in the NAME OF JESUS CHRIST until the Lord says move on, and that is, as far as I know, months yet to come.

It will be remembered by thousands of Saint John people, the very high class of Coal we handled during the years 1913 to 1922, known as Radio Coal. Radio Coal is the choicest Anthracite we have located anywhere in Pennsylvania and was, until we imported Welsh Coal in 1922, the first preferred coal.
