

## FREDERICTON WINS N. B. TITLE AGAIN

Takes 3-0 Decision From Mount Allison in Driving Snowstorm Yesterday

SACKVILLE, Nov. 17.—Fredericton High School won the interscholastic football championship of New Brunswick when they barely nosed out Mount Allison Academy on the university campus here this afternoon by a score of one try, 3-0.

The game was played for the most part in a driving snowstorm, which made good football a difficult proposition. Happily the worst part of the storm broke between halves and the spectators were the only ones who suffered, although the field was completely whited, making the footing treacherous. The Fredericton boys failed to show the form that was expected of them.

The teams lined up as follows: Fredericton High—Forwards, Whistart, Trites, Rowan, S. Douglas, Smith, Woods, A. Douglas, (capt.); halves, Maxwell, Rutter, Clarkson; three-quarters, Clark, Hewitt, Miles, Dougan; fullback, Jones; spare, Hanson.

Mount Allison Academy—Forwards, George, Cameron, Sheldov, Sowerly, Anderson, Dunkley, Tavernier; halves, Pierras, McKennie, Freige; three-quarters, Reid, Thompson, London, McLean; fullback, Cole.

## GAS IN STOMACH HURTS THE HEART

Thousands of Cases of Heart Failure Are Caused by Acute Indigestion, Says Medical Writer

Gas pressure from sour acid, upset stomach is not only nauseating and highly uncomfortable but some day it may prove fatal.

When your meals are followed by bloating, a feeling of fullness or pressure, shortness of breath and pains around the heart, you may be sure that the acid condition of your stomach is producing a gas that is pushing upwards and crowding your heart. That's the reason for the shortness of breath and sharp, shooting pains.

Whether young or old, the presence of stomach gas is a truly serious and should always be given prompt and careful attention. To quickly banish gas cleanse and sweeten the stomach, neutralize the acidity—nothing is better than the daily use of a small amount of ordinary Bismarck Magnesia. It gives almost instant relief.

Any good druggist can supply Bismarck Magnesia, in powder or tablet form at very small cost—but be sure you get BISMARCK Magnesia—recommended by Doctors and Druggists throughout the civilized world for more than 130 years.

## Opera Co. Forbids Paid Applauders

Press Agents Also Frowned Upon as Wasteful Expense in Chicago

CHICAGO, Nov. 18.—Members of the Chicago Grand Opera Company have been formally notified that the employment of paid applause makers is forbidden and that it can affect the singer's status "in only one way—prejudicial." Press agents are frowned upon and money spent on them is positively wasted, the management's letter to the artists pointed out.

The reason for the ban was said to have originated in the appearance among the stars of the company of a man who proposed to provide applause wholesale at a figure. He represented himself as influential with the newspapers.

Employment of claqueurs, or paid applause makers, waned several years ago with the end of wholesale free tickets. Paid applause fools no one "except the artist who is so glibly as to say tribute to the extemporists," the letter said.

"You have been engaged because the management thinks you have something to give that the Chicago public desires," it went on. "That public is not glibly; it is not to be stamped by stupid, noisy and vulgar persons applauding and shouting approval on a paid basis."

"On the other hand, the Chicago public is appreciative, warm, generous, alert to recognize artistry and eagerly seeking evidences of genius. Do not fear that because some other artists are greeted by a burst of custom-

## Cried Self to Sleep Called "Pimple-Face"

Brooklyn, Mrs. Elsie Fels writes: "For months I tried in vain to clear my face of horrible pimples. Once I overheard my dearest friend refer to me as 'pimple-face' and everyone laughed. I cried bitterly. I read about Carter's Little Liver Pills being used successfully to clear complexion and finally tried them. Well, my picture tells its own story, doesn't it?"

Carter's Little Liver Pills in many cases will do more to encourage a healthy complexion than all the known beauty treatments. They cause the bowels to move in a gentle manner, relieving the intestines of their poisonous matter.

## Kidney Troubles brought Pains in the Back

Mrs. Wm. Walker, Webbwood, Ont., writes:—

"I was sick for several months with my stomach. I had pains in the back, and how I used to dread wash day for my back would pain so that I couldn't lie down when night came. I also had gas on my stomach, and my appetite was so poor that sometimes I did not care whether I ate or not. At last I started to use Dr. Chase's Kidney-Liver Pills, and although I have only used three boxes, I am quite well again, and able to do my work both in the house and outside."
