

The Ladies in connexion with St. Matthew's Church have again rendered that valuable assistance, which they have been for several years accustomed to bestow upon this good work. The Ladies composing the "Ladies Bible Association" of this City, have also continued their most efficient services. They have been most diligent in their undertaking, and have collected and paid into the hands of the Treasurer the large sum of £72, being an increase of £5 15s. 6d. over the sum contributed during the previous year.

The following returns will show what has been done by this Auxiliary, in the distribution of the Scriptures during the past year :
