LETTERS TO LENEVE.

Dr. Crippen's Last Words Are Published in London.

London, Nov. 28.—The last statement of Dr. Crippen, who was hanged on Nov. 23, at Pentonville Prison, is published in a Sunday paper, in the form of two final letters, written to Ethel Leneve, one of which is dated Nov. 22. The letters are not reproduced in their entirety, it being explained that they contained certain personal confidences, but nothing in the nature of a confession.

Crippen throughout declares his innocence, and hopes that it will one day be revealed. The letters, which are printed as one, begins with protestations of passionate love for the girl, and repeats constantly the phrase: "God help us to be brave in the face of the end, now so near." Crippen continues:

"How can I endure to take a last look at your dear face. What agony must I go through at last, when you disappear forever from my eyes. I am comforted in thinking that, throughout the years of friendship, never have I passed one unkind word, or given one reproachful look to her whom I loved best in life, to whom I have given myself heart and soul, wholly, entirely, forever."

Crippen asks that Leneve have his body cremated, and, if possible, obtain the ashes, and deposit them as she deems best. He complains that his statement, published on Nov. 20, omitted his criticisms of the crown's evidence, with reference to the scar and the absence of the navel, which he considered most important, and proceed exhaustively to analyze the evidence on these points. He asks that Miss Leneve goes to no further expense in trying to secure further evidence, adding: "I can safely leave further evidence to a just God."

He expressed the hope that Miss Leneve will go to "Mrs. H." where she will be free from the lying tales of newspaper men, and concludes: "To-morrow I will be in God's hands. I have perfect faith that He will let my spirit be with you always."

The paper prints a fac-simile of Crippen's will, bequeathing everything to Miss Leneve.

Pro-Navy Meeting.

Montreal, Nov. 28.—The pro-navy demonstration, held at St. Johns, Que., on Saturday afternoon, was attended by 1,500 people, and speeches were delivered by Hon. L. P. Brodeur, Hon. R. Dandurand, Dr. Beland, M.P., Joseph Demers, M.P. for the County of St. Johns, Iberville; E. Lapointe, M.P., and others. There were a few interruptions, but on the whole the explanations of the Minister of Marine were listened to by a sympathetic crowd. It is understood that a series of such gatherings will be held throughout the province, and it may be that another test of public opinion will be taken at an early date.

Hon. L. P. Brodeur declared that he was responsible in a great measure for the bill, and he congratulated himself on the fact that the navy bill is the most patriotic act ever put on the statute book by the Cabinet of Sir Wilfrid Laurier.

Dr. Beland, M.P. for Beauce, asked his compatriots to pause and realize the fact that there is but one French province out of the nine French provinces of the empire, and that the way they are now going it will not take much to have the other eight allied against the lone province, and everyone knows which would be the sufferer in the long run.

DEAD AT BRACEBRIDGE

SUDDEN DEATH OF MR. EDWIN FARNSWORTH OF HUNTSVILLE.

The following is from a Huntsville exchange:—

"Within one hour from the time he left Huntsville, where he had visited his parents, Mr. and Mrs. Henry Farnsworth, over Sunday, Mr. Edwin Farnsworth fell dead at the Bracebridge station from heart failure. The young man had, for some weeks previously, filled the position of engineer at the Bracebridge factory of the Anglo-Canadian Leather Co. in position he assumed at the close of navigation on the local waters, where, for the past four years he has been employed by the Navigation Company lately an engineer on the tug 'Phoenix.' Since going to Bracebridge it has been his custom to spend two Sundays a month with his parents here, and he came up on Saturday last as usual. Sunday was spent with the family, and it was while returning to his work, leaving Huntsville on the midnight train, that death came so suddenly.

He had alighted from his train and was walking toward his boarding house. He had gone scarcely one hundred yards when he suddenly fell backward, and was dead almost immediately. Mr. Farnsworth went to Bracebridge Monday morning, and, after learning the circumstances, advised the Crown Attorney that an inquest would not be necessary.

The body was accordingly brought back at 6.30 p.m. and the funeral took place on Wednesday afternoon. The young man was very highly respected by all who knew him, and his sudden and tragic death has created profound sorrow. Sympathy on all sides is experienced for the bereaved parents, and for the brothers and sisters who are plunged so suddenly into their deep bereavement.

The funeral which was very largely attended, was in charge of L. O. L. No. 393, under Messrs T. Rose as Deputy Master, W. N. MacDonald as Master of Ceremonies, and Rev. J. N. Norton as Chaplain. Interment took place in the Methodist Cemetery.

The deceased was a great nephew of Mr. Peter McNamee and Mrs. Edward McKenna of Ingersoll, and Mrs. Isaac Edwards, North Oxford.

FOR PROTECTION OF COLLEGIATE

Board of Education Will Send Committee to County Council Meeting to Guard Interests

From Tuesday's Daily.

To guard the interests of the Ingersoll Collegiate Institute, Trustees Macaulay and Mayberry will represent the Board of Education at the December session of the County Council. This decision was reached at the regular meeting last night, after Trustee Macaulay had read a copy of a letter forwarded by County Clerk Birch to the Chairman of the Woodstock Board of Education in regard to the complaint that first year pupils were being exempted from fees.

The letter was sent under instructions from the County Education Committee and pointed out that whether the fee of seventy-five cents a month was collected or not credit must be given to the County for the amount. It also was explained by Mr. Macaulay, who took up the matter in the first place on behalf of the Ingersoll Board, that the Woodstock Board had appointed a committee to wait upon the County Council. He urged that the Ingersoll Board continue their efforts to protect the Collegiate. The committee previously appointed, was allowed to stand, and Mr. Mayberry was appointed to accompany Trustee Macaulay to Woodstock when the County Council meets next month.

ROUTINE BUSINESS.

Chairman Morrey presided and the members present were Messrs. Neff, Agar, Macaulay, Ackerit, Sutherland, Hogarth, Lenihan, Thompson and Bowman.

COMMUNICATIONS.

Communications were read as follows:—

1. From County Inspector Patterson relative to his recent inspection of Ingersoll schools. The report, which contained a few suggestions, was very favorable on the whole.

2. From Inspector Patterson pointing out that teachers should comply with certain regulations of the department regarding text books.

ACCOUNTS.

The following accounts were read and payments ordered by the Finance Committee: Mitchell & Co., \$2.50; Geo. Wood \$67.10; Manning's Bookstore \$8.40; T. N. Dunn \$24.52; John McDonald \$19.10; Neil & Baxter \$13.25; Nagle & Mills \$1.98. Special Committee, expenses to Toronto \$15.60; Tribune Printing Co. \$2; J. C. Hegler, balance on account \$170.

TEACHERS' COMMITTEE.

The Teachers' Committee reported recommending the appointment of G. A. Barker as Commercial Master at Collegiate Institute, salary \$1,300 per annum, Miss Bonis, Merriton, to room No. 4 Central school, and Miss Thompson to room No. 9. The report was adopted.

TO TAKE UP FLOOR.

Trustee Macaulay informed the Board that the janitor of the Central school had requested permission to take up the floor in the "notorious" room five-and-a-half and use the lumber to inclose one of the furnaces. The janitor, he said, considered this step advisable to prevent the pupils interfering with the damper, etc. A motion granting the request.

A COURSE OF LECTURES.

Principal Brinden informed the board that the Collegiate staff desired to have Professors of Toronto University give a course of four lectures here during January, February and March but before making final arrangements room five-and-a-half and use the lumber to inclose one of the furnaces. The janitor, he said, considered this step advisable to prevent the pupils interfering with the damper, etc. A motion granting the request.

MANUAL TRAINING.

Trustee Sutherland called the board's attention to the advisability of equipping the Manual Training school with a motor, forge, lathes and metal working tools, as had been previously suggested. The equipment, he mentioned, could be purchased for about \$750. An adjournment was made at 9.40.

James McRury, fireman, received cuts and bruises and a dislocated shoulder, and Jack Melnes, brakeman, bruises and cuts. The others injured were Joseph Mullins, foreman of the banking station; John Morrison, Jack Melnes, conductor; El Perry and Charles Coffin. The damage will total about \$8,000.
