almost speechless, his body covered with blood with several mortal wounds in the head, and a great deal of blood upon the bench and on the floor—he was carried to his own house and expired about ten o'clock the same night:—the body presented a sad spectacle—there were several mortal wounds, and one of a circular shape as if it had been inflicted with the muzzle of a gun. The head was neatly dissected by Doctor WALSH in the presence of the Coroner and Jury—the investigation continued for two days, many witnesses were examined, and upon Saturday about 2 o'clock, a highly respectable Jury of seventeen in number, and of which Mr. JOHN FOOT was elected Foreman, unanimously returned a Verdict of "Willful Murder" against THOMAS NOWLAN. The Coroner instantly issued his Warrant for the apprehension of the murderer, who is still supposed to be lurking in the neighbourhood of his own dwelling situate on the margin of the woods. Mr. Power the Stipendiary Magistrate at Carbonear and all his Constables have been, and continue to be, unceasing in their endeavours to discover the felon, and it is hoped he will yet be apprehended. The Coroner bound all the witnesses over to give evidence on the trial. There is little doubt that the murderer had but too good cause to be jealous of the deceased, and to this jealousy the murder is attributed.

Died,

On Monday evening last, after a few hours illness, aged 35 years. Mr. WILLIAM DIXON, Merchant, leaving a disconsolate wife and two young children. His funeral will take place this afternoon at four o'clock, when his friends and acquaintances are requested to attend

UNEXAMPLED MAMMOTH SCHEME.

THE following detail of a Scheme of a LOTTERY to be drawn in December next, warrants us in declaring it to be unparalleled in the history of Lotteries. Prizes to the amount have never before been offered to the public. It is true, there are many blanks, but on the other hand, the extremely low charge of 20 Dollars per Ticket—the value and number of the Capitals, and the revival of the good old custom of warranting that every Prize shall be drawn and sold, will, we are sure, give universal satisfaction, and especially to the Six Hundred Prize Holders.

To those disposed to adventure we recommend early application being made to us for Tickets—when the Prizes are all sold, blanks only remain—the first buyers have the best chance.—We therefore, emphatically say—delay not! but at once remit and transmit to us your orders, which shall always receive our immediate attention. Letters to be addressed, and application made to
