

UNFINISHED BUSINESS FOR NEXT SESSION.

1. By Mr. Gossip :

That it is expedient to establish a Church Paper either at Toronto or Montreal, under the patronage and support as the organ, but not upon the responsibility, of the Provincial Synod, and that a Committee be appointed to take such measures by correspondence with the various Dioceses and Parishes as will ensure the success of the undertaking.

2. Canon Ellegood gives notice that at the next Session of this Provincial Synod, such change be made in the Constitution as may enable the House of Bishops to sit and take part in the deliberations of the House of the Clerical and Lay Delegates, in case they should desire so to do, subject to such regulations as may be agreed upon by the said Provincial Synod.

3. Very Rev. THE DEAN OF MONTREAL :

That this Lower House of the Provincial Synod deeply deploras the crisis in which the Church in Canada stands, and the indications of schism which have unfortunately manifested themselves, arising out of dissatisfaction at the introduction of practices in the Church contrary to the simplicity of our Protestant form of worship, and that their Lordships the Bishops be earnestly requested to devise some means by which such practices may be suppressed, and uniformity established in the services of the Church in Canada.

4. REV. CANON TOWNSEND :

That the Provincial Synod earnestly deprecates the introduction into its business of controversial subjects relating to the ceremonial practices of some churches, which it is assumed are irregular and unlawful, and the discussion of which would inevitably tend to the increase rather than the healing of our unhappy divisions, particularly as the subject of the Rubrics is about to be discussed by the Convocations of Canterbury and York.
