PARKE'S ALMANAC.

Rubber

Every house now has or should have or Fountain Syringe and a Hot Water Bottle. They are so useful in cases of emergency that they may not care to refuse you, there are good reasons why they should. In spite of the fact that Rubber has advanced material price, we are now selling Bulb Syringes for which you in years past paid 75c and other lines are at equally reduced prices. Immense production makes the cost of manufacture much less, and again where we formerly purchased from wholesale houses and then you paid two profits, we now purchase direct from the manufacturers and sell you at wholesale price. In the better quality of rubber goods we replace those not satisfactory.

NOTICE.—Hot water may be used in rubber goods, but boiling water never should.

Bulb Syringes, Hot Water Bottles, Fountain Syringes, Combinations, Eye, Ear and Nose Syringes, Throat and Nose Atomizers, Nasal Douches, Rubber Cushions, Stomach Tubes, Rubber Tubing, Nipples, Rubber Sheetting, etc.

We sell the Eclipse Fountain Syringe, 2 qt. at 85c, 3 qt. at \$1.00.

Household Hot Water Bottle, 2 qt. at \$1.20, 3 qt. at \$1.40.

Bon ton Combination, 2 qt. at \$1.25, 3 qt. at \$1.50.

We carry a full stock of cheaper lines also.

Elastic Stockings, \$1.25 each; Knee Caps and Anklets, 75c. These are for sizes up to No. 8, over the price is 10c a size extra. These are the best English goods and are a nice drab color.

We sell also Red Rubber Cushions and Hot Water Bottles of special quality.
