An Act Relating to the Public Debt of the City of Saint John.—For the information of our readers who may not have access to the *Royal Gazette*, we copy the above very important enactment. The large amount of revenue which the people of Carleton will for the future derive from their own resources, and of which any three of the members of the Common Council on the western side will have the disposal, must certainly have a tendency to enhance the value of real property in ago, the settlement of the Chancery suit, in which Carleton and the city generally were involved, was strongly advocated in our columns. The Act which we now publish confirms the arrangement entered into by the parties who were interested in the suit, and in our opinion the arrangement itself is alike creditable to all parties concerned in perfecting it.

The Reformer, a new paper published at Woodstock, recently came to hand. This journal is neatly printed and cleverly edited, whilst the selections in its columns evince a sound discretion. We wish our cotemporary the realization of success commensurate with his merits.

☞ We understand a beautiful new Organ has recently been placed in the Gallery of the Germain Street Wesleyan Chapel. Good judges pronounce it a superior instrument, and it reflects credit on the spirit and liberality of the congregation.

The election for Wardens and Vestry of Saint John's Church, in the Parish of Saint Mark, took place on Monday last, when the following gentlemen were chosen.

L. H. Deveber, and Charles Ward, *Wardens.*
W. H. Adams, Robert Armstrong, W. L. Avery, Thos. Daniel, W. D. W. Hubbard, Jos. W. Lawrence, S. L. Lugrin, John M'Avity, James R. Ruel, W. F. Smith, and Thomas M. Smith, *Vestrymen.*

James D. Lewin, Esq., late of H. M. Customs, has been appointed Secretary and Treasurer to the Water Company, in place of Mr. James Robertson, resigned.

Fire.—We regret to state that a valuable well finished house owned by Messrs. Wm. H. & W. Brittain, in Westfield, K. C., was entirely consumed by fire about noon on the 18th ultimo.—When first discovered the roof was in flames, and burned with such rapidity that although immediate assistance was obtained, it was impossible to arrest the progress of the fire. Only part of the furniture was saved, and that partially damaged. Mr. William Brittain was severely injured by the falling of a bed-post on his head, but we are gratified to state that he is recovering. We learn that there was a small amount insured on the House.—*New Brunswicker.*

☞ The election in Westmoreland has resulted in the return of Mr. Landry by a majority of 58. Landry—560; Steadman—502.

Election of Mayor.—James Olive, Esq., of Carleton, was chosen Mayor of the City on Tuesday last.

☞ Tavern Licenses have been granted for a year by the Mayor of Fredericton.

Putnam's Magazine.—For the May number of this excellent periodical we are indebted to Mr. B. O'Brien. The matter which it contains is as pleasingly varied and interesting as usual.

Dr. Wistar's Balsam of Wild Cherry.

ANOTHER PHYSICIAN'S TESTIMONY.

Mr. Fowle—Dear Sir: I could send you a dozen certificates, strong and decisive, of the really sanative effects of your valuable Balsam of Wild Cherry, within the past twelve months, under my supervisions and direction.—Indeed, I know of few persons who have used it, comparatively, but commend it in the strongest terms. A case of Asthma, the severest I ever saw, to which I was called a month ago, evinced the superiority of the Balsam. This disease lasted six weeks, and the distress and suffering was dreadful; he sat up every night. The gentleman told me to give him something to last him home, (21 miles,) so that he might see his wife and, child, and die in peace! I gave him one bottle of the Balsam, and four ounces of syrups squills, directing him to take teaspoonful doses of best Bordeaux olive oil, when the difficulty of breathing was gratsat.—Next day I forced his despondent will, and made him take six bottles of Wistar's Balsam of Wild Cherry home with him as a present, he having alleged that he had used so much expensive medicines to no profit. Last week Mr. A., called and expressed his gratitude to me in the warmest manner, said the medicine had saved his life, paid his whole bill, and took six bottles more, and left my office for home, rejoicing.

Very respectfully, yours,
WM. SHAW, M. D.
