South M. Promise REUBEN G. LUNT,

St. John, N. B., July 10, 1866. The Treasurer, in handing in his report, begs most respectfully to suggest that the future Treasurer of the N. B. Baptist Education Society be appointed from the locality where the Baptist Seminery is in operation, inasmuch as the principal business of the Society is transacted there; and the appointment of a Treasurer elsewhere is apparently less convenient to the Institution. Most respectfully submitted.
