CHATHAM LOSES UPHILL FIGHT

St. John Team Came Off Victors Last Evening With Score 3-2 in Their Favor—Philps a Star

Chatham, Jan. 25.—By a score of 3 to 2 St. John defeated Chatham in the N. B. Hockey League game here tonight and has kept unbroken its string of victories. The visitors' victory may be laid to Philps as he was by all odds the best and most effective player on the ice. He was responsible for two of St. John's goals and his end to end rushes, time and again relieved the pressure against the visitors' goal for the whole Chatham kept the puck mostly in their opponents' territory. Pierce was most invincible and Philps and McAvity made a stone wall defence.

The visitors bore in better than Chatham and they made better use of their opportunities. Play had continued even for nearly 20 minutes when Philps made a beautiful end run and beat out Watters. Within a minute of time Clawson found the net from about 20 feet out and the half time ended 2-0 in St. John's favor.

Chatham started off with a whirlwind stride in the second half and after five minutes' play Powers found an opening for Chatham's first goal and the big crowd cheered him to the echo. Soon after Philps took another twister and passed to Clawson who passed to Parker and he netted St. John's third tally. Chatham now went at it hammer and tongs and despite several penalties for slashing, they had the best of play, and Synott noted their second. Urged on by the crowd, the Chatham boys worked hard to tie the score, but the whistle found the count 3-2 against them.

The lineup was: St. John Goal. Watters. Point. Watling. Cover. Milford. Cover. Synott. Centre. McDonald. Wings. Powers. Right Wing. Flood. Left Wing. R. A. Snowball refereed and a few minor penalties were all that was needed.

WHO'S WHO IN THE FLYING GAME

Despite his gloomy name, Frank Coffyn is a very care-free birdman. He is one of the stars of the Wright team, and has made a specialty of contest work. Unlike his late teammates, Hoxey and Johnstone, Coffyn has not been tempted to go after any showy records. He is an American and has been in the flying game less than a year.

WILL THERE BE ANOTHER FIGHT?

Promoters Feeling Pulse of Public for Another Jim-Jack Go--Dope Story Thing of the Past

San Francisco, Cal., Jan. 25.—Fight followers out here on the coast are interpreting the rumors and rumblings that are coming from the immediate vicinity of "Jim" Jeffries and "Tex" Rickard as a move to feel the pulse of the public in regard to another "battle of the century." The grand clean-up that was made on the Reno affair is not easily forgotten by those who were on the inside of it and the murmurings that are heard now may be taken as the preliminary step to an attempt to get a big gate. If it should happen, though, that the affair were arranged, few men who are conversant with the boxing business could be induced to believe that Jeffries would have the ghost of a chance. Most would be ready to stake anything they possess.

To the newspaper men, who covered practically every move Jeffries made in his camp at Moana Springs, the "dope" talk is all boah. The white man was treated with a great deal more consideration than his due, because nearly every one was "pulling" for him, and if Johnson had trained in the same manner as Jeffries and lost the conviction would have been strong that the negro wanted to "lay down for one reason or another."

That Historic Cup of Tea. The "it will all come out some day" twinkle that has been in Jeffries' eye from time to time about the historic cup of tea may be taken as just one little incident to try to bait the public into going up enthusiasm for another meeting.

While Sandy was never considered very seriously as one of the "hopes," he never will be after the showing he made last night. He had been put into pretty fair shape by Aleck McLean, but during most of the bout he acted as if he believed he was in a hugging match instead of a boxing engagement.

When Ferguson spoke to Barry in the corner, Jim made a remark that partly got Sandy up "in the air," but nothing happened. When time was called they would not shake hands. Barry made little attempt to do any work in the first few rounds, except to block the lefts. The latter managed to land some of his lefts on Barry, but most of them were of the push order.

At a meeting held last evening in the C. P. R. offices at 4th and Point, it was decided to organize a hockey team and Wm. D. Kelley was elected manager of the team. The first game will be played on Saturday afternoon with the team from the general offices of the C. P. R.

FERGUSON NO MATCH FOR BARRY

Worcester "Stubborn Boy" Outclassed by Chicago Heavy and is Considered Done as Boxer

JIM BARRY. Worcester "Stubborn Boy" Outclassed by Chicago heavy and is Considered Done as Boxer.

Boston, Jan. 25.—Jim Barry, the Chicago heavyweight, not only won the decision over Sandy Ferguson in their 12-round bout at the Amory A. A. last night, but he also gave Sandy the worst whipping that he ever got around here.
