PROBATE COURT.
The will of Joseph Bullock, general manager of the Imperial Oil Co., has been probated. Deceased gives the sum of \$2,000 for charitable purposes, the same to be paid to his wife Elizabeth Bullock, and to be distributed by her in accordance with the terms of a letter to her bearing even date with the will; the sum of \$1,000 for like purposes to be paid to his son, John F. Bullock, and the further sum of \$1,000 to be paid to his son, Thomas H. Bullock for the same purposes. He gives to his wife absolutely all his household furniture, etc., in his dwelling house on German street; the rest of his estate he gives to his executors and trustees in trust, consisting of his three dwelling houses adjoining each other on German street—the northerly house to his son, Thomas H., being the one now occupied by him; the southerly one to his son John F., and the middle house to his said wife Elizabeth, in each case for life, the income of the rest of his property to be divided, one-third to his said wife and one-third to each of his said two sons, the last survivor of them during his or her life to pay the sum of \$100 per year out of his or her said income for such charitable purposes as he or she shall see fit, to be distributed in accordance with the terms of a letter written by deceased; on the death of either of his said two sons half of the estate to go to his children; each of his grandsons and granddaughters shall out of his or her share of the estate pay the sum of \$100 for such charitable purposes as he or she shall see fit, and he nominates his said wife and two sons executors and trustees, who are duly sworn in as such. Real estate, \$25,800. Personalty, \$41,200, besides \$2,000 life insurance payable to the widow. Stephen B. Bustin, proctor.
Estate of Mary E. S. Cornwall, widow of the late Ira Cornwall. Last will and codicil proved whereby deceased gives all her estate to her executors and trustees in trust to pay the income

How to Banish Wrinkles Quickly
If the average woman only knew it, it is not at all difficult to preserve the youthful contour and velvety smoothness of complexion. Every woman hates to see her face wrinkled or bumpy, and practically every one has experimented with one kind or another of cosmetic or effort to remove such condition or ward it off.
As a matter of fact, the most effective remedy in the world is one that any woman can easily make up herself at home, in a moment's time. Let her take one ounce of pure, powdered rosalia, which she can purchase at any drug store, and dissolve it in a half pint of grapefruit juice. Apply this harmless and refreshing solution to the face every day. The results are surprising and instantaneous. The wrinkles are less in evidence and the face has a comfortable, snug feeling of freshness that is most delightful.

CITY COUNCIL TRANSACTIONS
HIGH BUSINESS
Will issue debentures for \$124,000 of city five per cent. bonds — Machinery Hall for remounts.

The city commissioners yesterday approved of the tenders for \$124,000 of city five per cent. bonds and Mayor Frink was authorized to issue the debentures.
Machinery hall in the exhibition building will be given over to the imperial authorities for use in connection with the shipment of remounts. The contractors for street work in Lombard street were ordered paid.
Other business of a routine nature was transacted.
Those present at the meeting were Mayor Frink, Commissioners Wittmore, Russell, McLellan and Potts with the common clerk.
The minutes of the last meeting were read and approved.
Renewal leases were authorized to George M. Ross as follows: Lot No. 518, Brooks ward, for seven years from May 1, 1913, at \$20.25 per annum rental, being 10 per cent. advance; lot No. 1076, Brooks ward, for seven years from May 1, 1914, at \$11.10 per annum, being 20 per cent. advance.
The question of bond issue was made the first order of business and Mayor Frink moved that the following bond issue be made: \$11,000 20 year, \$81,000 10 year and \$22,000 five year being a total of \$124,000. These were all to bear five per cent. interest. The motion was carried.
It was left with the commissioner of finance to allot bonds to different tenderers.
There were forty-six bids for the twenty year bonds, twenty-five for the ten year debentures and fourteen for the five year bonds.
Mayor Frink brought up the question of taking up the full amount subscribed and asked for the opinion of the council on the matter. He thought that perhaps it might be too hasty to issue bonds for the amount of \$124,000.
Commissioner Potts thought it would be good business to make an issue of bonds to the amount subscribed.
No action was taken in this connection.
Commissioner McLellan recommended that the machinery hall in the exhibition grounds be given over to the use of the imperial authorities for the stabling of remounts.
The commissioner had taken up the matter of insurance with the underwriters and he had been told that if proper protection were provided the insurance rate would not be increased.
A hose reel and cart of hose should be placed down in the exhibition grounds and a fire alarm box should be installed.
John Birch was given the contract for water pipe. The price submitted by this concern was the lowest.
Mayor Frink reported that he had looked into the matter of the Trade and Labor Convention bills. No grant had been made but he was given power to act in the matter.
Commissioner Russell was given authority to purchase a hose reel for West Side wharves at an estimated cost of \$85.
In order to save book-keeping the amounts for the work in Canterbury, Church and Princess streets were amalgamated into one lump sum.
The contractors for the work in Lombard street were ordered paid. The controller had held up the payment on account of the Intercolonial Railway not sending in the deed of conveyance for the property. The I. C. R. is to pay the cost of the work.
The St. John Conservative Club called attention to the situation in the market building. The matter was referred to the commissioner of public safety.
J. E. Arbutnot applied for appointment as a city constable. Mayor Frink was given power to act.
The meeting then adjourned.

CHILDREN ASSIST RED CROSS
Matter brought up at meeting of School Board last evening—Other business dealt with.

The meeting of the School Board last evening was mainly devoted to routine business.
Those present were:—R. B. Emerson, chairman; M. Coll, M. E. Anar, T. H. Bullock, D. Nasse, J. E. Manning, Mrs. Dever, Mrs. Taylor, Supt. H. B. Bridges and Secretary Leavitt.
Mrs. E. R. Taylor, the new school trustee, was formally introduced to the board.
Miss Ida Allan of Petticoat, wrote expressing thanks for leave of absence.
A communication was received from the Red Cross Society asking that the children of the schools be encouraged to help the society, and suggesting that a day be set aside for receiving contributions from the school children.
Chairman Emerson supported the request. Supt. Bridges said the school authorities had collected a number of subscriptions from school children. The object was commendable, but they would have to have the authority of the Board of Education.
Trustee Bullock—"Wouldn't the Red Cross Society achieve the same object if they appealed to the Sunday school teachers?"
Supt. Bridges—"I suggested that."

Trustee Coll moved that the board approve the idea of the school children giving to the Red Cross Society, subject to the approval of the Board of Education.
Mr. Day said the parents anyway would make the collection of the children's contributions, representing the parents' wealth, would establish invidious distinctions.
The secretary reported that the Bank of Nova Scotia was anxious to get rid of the collection of the funds of the School Penny Banks.
The Bank of British North America was willing to act as custodian of the fund.
The superintendent said there were four penny banks: in the Dufferin, in the Dalhousie, and in the Albert schools. The matter was referred to the finance committee for settlement, and to bring in a report on the whole question.
Supt. Bridges said the principals objected to receiving funds for the penny banks after school hours.
Trustee Bullock suggested the matter of having a record of the names of parents of children from outside the city attending city schools.
Dr. Bridges said that careful watch on this matter and tuition fees of \$2 a month were charged, unless the parents paid taxes in the city.
The secretary's report showed an attendance at the schools in September of 91.30 per cent. of the enrollment. Pupils enrolled numbered 7,744; compared with an enrollment of 7,236 for the same month last year. Pupils in attendance numbered 7,071. Teaching days were 22; schools in operation were 99; number of teachers' visits was 231.

METHODIST MISSION BOARD IN SESSION
Church spent \$369,223 in Domestic Mission Work—Has seventy-four missionaries in China.
Toronto, Oct. 13.—The Mission Board of the Methodist church opened its annual session today.
The treasurer's report stated that for the year the current income was \$566,507.18, and the current expenditure \$566,507.18. Of this \$369,223.40 was spent in domestic missions in Canada, Newfoundland and Bermuda. The remainder was spent in foreign missions in China and Japan.
The church has seventy-four missionaries in China, and twenty-one in Japan.
In the home field there are four hundred and twenty-five missionaries. Added to the income are amounts raised by other societies, including the \$21,977.85 raised by the City Mission Boards of Montreal, Toronto and Winnipeg, and \$178,621.23 raised by the Women's Missionary Society, making a total subscription to missions of \$889,911.41.

OBITUARY.
The death of Mary, beloved wife of Charles O'Neill, took place early this morning. She was the daughter of Mr. and Mrs. John Harrington of this city and had a wide circle of friends. She had been ill only a few days and news of her death will be heard with regret. She is survived by her husband, one child, three months old, her father and mother, one brother, Charles Harrington, and four sisters, Mrs. Bernard Walsh, Mrs. Michael Fitzpatrick, Mrs. Robert McKenzie and Miss Nora Harrington of this city.
The funeral will be held on Thursday afternoon at 2.30 o'clock from her late residence, 52 City Road.

INTER-EMPIRE TRADE MUST BE KEPT RUNNING
British Imperial Council of Commerce urges necessity of securing firm grip on business.

The Board of Trade has received a communication from the British Imperial Council of Commerce, at London, England, in which a strong appeal is made, in view of the war, to place Inter-empire trade on a more lasting basis.
"We have no reason," says the Imperial Council, "to be grateful to Germany in the past for the methods by which she has sought to undermine our Inter-empire trade in our Empire, which she did nothing to found and which she is now doing her best to overthrow, and it would ill become the Chambers of Commerce of the Empire) not to seize the opportunity to repel these attacks and to hold and consolidate our own."
"In this fight for National and Imperial existence the great importance of economic pressure should not be overlooked. It is as important a means of bringing the struggle to an early and successful close as the sinking of ships and the slaying of men; navies cannot be kept on the seas or armies in the field unless the trade and wealth of the country are maintained; we must also look to the future to repair the ravages of the past."

MOTHER! IF CHILD'S TONGUE IS COATED
If Cross, Feverish, Constipated, Give "California Syrup of Figs."
A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.
Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breathless, restless, doesn't eat readily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children, all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!

THANKSGIVING DAY AT SILVER FALLS
The congregation of the Silver Falls Methodist church honored Thanksgiving Day in a pleasant and profitable way, both Sunday and Monday. On Sunday afternoon the friends gathered at the church with liberal donations of various fruits of the soil as a free will offering to their pastor, Rev. J. J. Pinkerton. These were arranged in an impressive manner about the pulpit, presenting a pleasing object lesson of a bountiful harvest and the goodness of God to man.
On Monday evening the church held a Thanksgiving and Rally Day service. The superintendent, Leharon Jordan, occupied the chair. The program consisted of selections by the choir, address by Rev. J. J. Pinkerton, congregational singing, reading by Miss M. Jordan, and recitations by Mrs. Della Arthur, Mamie Lamb and Ethel Knox. The benediction was pronounced by Mr. Brooks.

CONTRIBUTION FOR BELGANS OFF THURSDAY
Goods will be sent to Halifax for shipment on British steamer—Distributed from London.

Arrangements have been made for the shipment of goods received by the Belgian Relief Committee up to today. At the depot on Pettigill wharf a great quantity of clothing and provisions has been assembled, and most of it has been packed ready for shipment. Clothing and provisions assembled in St. John will be sent to Halifax tomorrow, where it will be loaded in a steamer controlled by the British government.
In regard to the final distribution of the clothing and provisions the local Belgian Relief Committee know little. Everything will be forwarded to London, where arrangements are being made or have been made by a central relief committee to give what aid is possible to the afflicted Belgians driven from town to town by the ruthless might of Germany in arms.
The Nova Scotia government is taking charge of all contributions for the relief of the Belgians sent to points in that province. Communities in New Brunswick have sent contributions direct to Nova Scotia, and this fact will make the contribution from St. John, though reinforced by contributions from other parts of the province, appear smaller than it ought to, though contributions in goods are being forwarded in the name of the province as a whole.
The shipment of goods and clothing to be made today or tomorrow does not mean that St. John or other parts of the province will stop making provision for the relief of the devoted Belgians. Contributions in cash and kind, will still be received and forwarded at a later date to the sufferers in Belgium.

POLICE COURT
In the police station yesterday afternoon ten youngsters, who appeared on the charge of playing truant from school were given a severe lecture by Magistrate Ritchie and allowed to go, each promising faithfully to attend school regularly in the future.
Five boys appeared before the court having been reported by the dog catcher for throwing grass over the walls in the old burying ground. They were cautioned by His Honor and allowed to go.
Five prisoners who have been in jail on remand were brought before the court and further remanded.
A young man named Duplisea was fined \$50 or three months' jail for stealing a ride on the train.
Children appeared before the court a few days ago on the charge of using profane language and interfering with pedestrians on the street was fined \$50 or three months in jail, also three additional months without a fine. Gilbert will perhaps be absent from the streets until next spring.
John Lavine, who had been arrested on the charge of acting disorderly in James Flood's saloon on the Marsh Road and with threatening to assault Flood with a bottle of liquor was found guilty and sent up for trial.
Michael Burns was found guilty of assaulting a young woman on Douglas Avenue and was sent up for trial.

Baby Eczema Becomes Chronic
Causing Great Suffering and Anxiety—Prompt Relief and Cure by Dr. Chase's Ointment.
This is one reason why every mother should know about Dr. Chase's Ointment. It is an unflinching cure for all itching skin diseases.
Mrs. F. Clarke, Belmont, Mass., writes:—"My baby had eczema on her face. The sore was very bad, and nothing seemed to do her much good. Hearing of the remarkable cures Dr. Chase's Ointment was making, we went for some, and after the third application the sore began to heal. I am glad to say that it is quite well now, and we give the credit to Dr. Chase's Ointment. We cannot recommend this preparation too highly."
Here is another letter, which tells of the cure of a five-weeks-old baby: Mrs. Wallace Minton, River John Road, Colchester County, N. S., writes:—"My little girl took eczema when she was five weeks old. Though we doctored her until she was nearly a year old, she got no better. I was advised to use Dr. Chase's Ointment, and this treatment completely cured her."
