### MILLSTREAM MAN

IS THE VICTIM OF

SERIOUS ACCIDENT

Asa Campbell found unconscious in woods —

Struck by falling tree.

Apoahqui, Jan. 13.—A very distressing accident occurred three miles from this village on Monday afternoon of this week, when Asa Campbell, a prosperous young farmer of Riverbank, while engaged in cutting wood on the rear of his farm was struck by a falling tree, receiving severe cuts in the head and being rendered unconscious.

Mr. Campbell left his home after dinner to spend a few hours in the woods, and after searching for some time found the injured man lying unconscious on the icy ground, having laid there for several hours. They then built a fire near him for warmth and removed part of their own clothing, as much as that went to the nearest neighbor, Mr. Heber Campbell, to get some one to go in search of her husband. Mr. Campbell, accompanied by Fred Long, immediately set off with lanterns to the woodlands, which is a considerable distance from his house, and when he did not return at the time he was accustomed to, his wife became anxious, so much so that she went to the nearest neighbor, Mr. Heber Campbell, to get some one to go in search of her husband.
