The tip of the mornin' to ye, Irish wherever ye are, especially the brave boys who are fighting for the British Empire. We should all wear the shamrock today in their honor. Think of the Dublin Fusiliers at Gallipoli, and I have in mind the memory of a most gracious Irish lady whose birthday was on the 17th of March and who was the personification of that much abused term "a perfect lady." The post's words were certainly true of her for she did "little kindnesses which others leave undone or else despise." Our paths in life brought us together for a short time long ago and I shall never see her on earth but her influence has not been lessened by the years.

The canteen this week is in charge of the Brunswick Chapter Daughters of the Empire. Next week the Red Cross Circle of the Main street Baptist church will look after the refreshments.

The questions discussed were the need of getting a supply of helpers from the different battalions to do the work of the club, and the need of getting a supply of helpers from the different battalions to do the work of the club, and the need of getting a supply of helpers from the different battalions to do the work of the club.

The pantry sale at the Dufferin room today in aid of the Belgian family in which Miss Allison Jones and Miss Nina Jones were so much interested, Belgian relief is always a good cause to help and we have the match interest of knowing that former St. John people are doing this work.

Owing to the inclemency of the weather yesterday afternoon but few people were able to hear the very excellent lecture on Russia given by Miss Madeline de Soyres in the Natural History Museum. The lecture, which was well illustrated included many extracts from a diary kept by her father, the Rev. John de Soyres, during the time he was living in Russia as chaplain to the British embassy. Miss de Soyres has kindly consented to repeat her lecture in the museum next Thursday afternoon at four o'clock.

The meeting of the Ladies' Curling Club took place yesterday morning in St. Andrew's Rink. The election of officers took place and prizes for the season were presented. The storm yesterday prevented many from attending the Talk on Russia, given by Miss Madeline de Soyres, at the Natural History Society rooms. The few who braved the elements were rewarded by an instructive lecture, illustrated by many beautiful views. Miss de Soyres opened her lecture with a paper written by her father, the Rev. John de Soyres, entitled "Six Months in Russia." This being Mr. de Soyres' personal experiences, was most interesting. The second part was a paper on Russia's ancient history and her great modern expansion, both politically and territorially. Mrs. J. V. Ellis presided and tendered Miss de Soyres a vote of thanks.

The ladies of St. Stephen's Church Guild held a delightful high tea last evening in the schoolroom of the church. Mrs. Gordon Dickie presided at the table and the St. Patrick Day decorations were everywhere in evidence. A musical program was given in the evening.

The Philatelic Class of German street Baptist church gave a pleasant banquet in honor of the returned soldiers last evening. The table was beautifully decorated with St. Patrick Day emblems, and after a beautiful supper had been served, the guests were addressed by Mr. F. H. Davis, Rev. F. S. Porter and Mr. W. C. Cross. A musical program completed a delightful evening. Hearty cheers were given for the soldiers and by the soldiers for their hostesses.

GLASS OF SALTS CLEANS KIDNEYS

If your Back hurts or Bladder bothers you, drink lots of water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active. Drink lots of water—you can't drink too much; also get from any pharmacy about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act like a charm. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation thus ending bladder weakness. Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

CANADA TO FLOAT LOAN IN UNITED STATES

(Continued from page 1)
shocked at the announcement that there was not going to be another domestic loan immediately and that the country was going to borrow in the United States. Sir Thomas White said Canada had been buying more goods from the United States than the country and now it was simply buying money. Sir Thomas went on to state that transactions in time of war could not be judged by the standards of peace. He referred to the first Canadian loan of \$45,000,000 in New York as the most useful ever made by Canada. In connection with his negotiations he paid a tribute to Sir Frederick Williams Taylor of the Bank of Montreal, which had acted for the government. The loan, he said, had been followed by the establishment of a first class market for Canadian securities of the higher class in New York.

Replies to Critics.

Sir Thomas then replied to Liberal

Dr. Clark said that a loan floated in the United States simply meant an increase in buying from that country. The reciprocity treaty would have increased trade in both directions. He wondered, since the minister favored a loan from the United States that he did not see his way to granting wheat and thus make it possible for Canada to sell to the United States as well as buying from that country. Moreover he pointed out the loan and the interest upon it would have to be paid. He hoped the minister would once again become a free trader as he was in his youth. Mr. Glass of East Middlesex, taking up the reference to rural credits, expressed his approval of what the minister had already done for the farmers by providing for loans on grain and livestock. He hoped that Sir Thomas would still further broaden the banking system for the benefit of the agricultural community. The resolution was then adopted and the bill founded upon it was introduced. The bill providing for the tariff changes embodied in the budget proposals was also introduced.
