SOME EXCITING MOMENTS ON OCEAN VOYAGE

One of the most interesting letters received here regarding the voyage of the Canadian contingent across the Atlantic came from Joseph London and was addressed to his mother, London was with the artillery aboard the steamer Megantic and the letter he has sent in the form of a diary and the proceedings of each day are related.

Dear Mother, Just a little diary to let you know how we are getting along from day to day on board ship. Sept. 20—We are leaving Quebec tonight. I am well, and hope you are the same. Well, it is getting late, mother, and I am going to bed.

Oct. 3—Awoke this morning to find ourselves out on the ocean. It is very calm and we are having fine weather. There are twenty-nine troop ships in the line and five warships.

Oct. 5—Still having fine weather. This has been a day of accidents. One man was drowned off the ship behind us and were warship chased a steamer for five hours and found that it was a British boat, and she was running away from us, thinking we were German warships.

Oct. 7—Still fine weather. I am in the best of health. One of our escort is after a strange ship. There is another one of the ships in the rear of the line. We have chased a steamer and have it in tow. It has started to stop tonight and it is pretty rough. I am not so well. Some of the boys are very sick. There are 8,000 of us on this ship.

Oct. 10—Awoke this morning to find it was raining. We are now 1,800 miles out on the ocean. Expect to be in England by night. We have chased a steamer and have it in tow. It has started to stop tonight and it is pretty rough. I am not so well. Some of the boys are very sick. There are 8,000 of us on this ship.
