

DOMINION W. C. T. U.

Literature Depository

56 ELM STREET TORONTO.

We desire to thank the members of Ontario W. C. T. U. for their patronage during the past year, and to ask for a continuance of their support for 1897.

The stock has been increased since its removal to Toronto, and the Literature Committee hopes to print a new catalogue of the entire stock at an early date.

A special feature for this year will be the publication of Plebiscite literature, and we trust Unions will communicate with us when in need of such.

Helps on all the Departments will be found here.
