

ARTICLE XXIII.

Rights not to be Assigned.

The United States will not assign or underlet or part with the possession of the whole or any part of any Leased Area, or of any right, power or authority granted by the Leases or this Agreement.

ARTICLE XXIV.

Possession.

(1) On the signing of this Agreement, leases of the Leased Areas, substantially in the forms respectively set out in Annex II hereto,¹ shall be forthwith executed, and all rights, power, authority and control under such leases and under this Agreement (including transfer of possession where it shall not previously have been transferred) shall thereupon become effective immediately, and pending execution of such Leases they may be exercised *ad interim* and possession of the Leased Areas shall be immediately given so far as the location thereof is then ascertained. Where the precise location of a portion of any Leased Area is not ascertainable until more detailed descriptions are available, possession of such portion shall be given as rapidly as possible. This Article shall not require occupiers of buildings in a Leased Area to be removed from such buildings until reasonable notice to vacate has been given and expired, due regard being had to the necessity of obtaining alternative accommodation.

(2) The foregoing paragraph shall not apply in relation to the Bahamas, but a lease of the Leased Area therein, in terms similar to those of the leases set out in Annex II¹ hereto, and subject to such special provisions as may be agreed to be required, will be granted to the United States of America as soon as the location of that area shall have been agreed, whereupon this Agreement shall apply thereto.

ARTICLE XXV

Reservations.

(1) All minerals (including oil) and antiquities and all rights relating thereto and to treasure trove, under, upon or connected with the land and water comprised in the Leased Areas or otherwise used or occupied by the United States by virtue of this Agreement, are reserved to the Government and inhabitants of the Territory; but no rights so reserved shall be transferred to third parties, or exercised within the Leased Areas without the consent of the United States.

(2) The United States will permit the exercise of fishing privileges within the Leased Areas in so far as may be found compatible with military requirements, and in the exercise of its rights will use its best endeavours to avoid damage to fisheries in the Territory.
