

## AMERICANS AND FRENCH CLASH

### DOMINION CONVENTION OF GREAT WAR VETERANS

MANY IMPORTANT QUESTIONS  
ARE TO BE DISCUSSED

(Special to The Record)

VANCOUVER, B.C., June 30.—

With over three hundred delegates from

the Atlantic to the Pacific already regis-

tered, the third annual convention of the

Great War Veterans' Association of

Canada and the first Dominion peace

convention, awaits the zero hour to

commence a history making session.

The convention opened at ten o'clock

to-day and will not conclude delibera-

tions until Friday evening, during which

period most vital problems, touching

the returned soldiers interests and

carrying far-reaching effects will be

decided.

Sir Frank Barnard, Lieutenant-Governor,

Premier of British Columbia; Mayor Gale, of Vancouver, and

W. J. Bowser, a member of the legis-

lature addressed the delegates at a

civic reception luncheon to-day, after

which the business sessions commenced.

The subject creating the most discus-

sion is the famous Calgary resolution

calling for grants of two thousand,

fifteen hundred and one thousand dol-

lars, according to service for those who

were in khaki. Evidently since the

Ontario provincial convention at Wind-

sor this gratuity demand has gathered

greater impetus and support from the

province of Ontario. Central Riverside

of West Toronto and the Earlscourt

delegates are working unanimously with

the western members on this gratuity

proposition, making the outlook en-

couraging. Strong opposition offers

and promises one of keenest fights of the

convention.

The present labor unrest throughout

Canada is one of the principal matters

for consideration by the convention.

It is expected to pass a resolution, dra-

fting its demands and asserting that

the high cost of living is the greatest

contribution of the cause of unrest.

Toronto will be first over the top to-

wards the objective and will advance

four stages, covering the uncertainty

of the returned soldier's future, namely:

Professional labor agitators; bolshe-

viki; aliens and high cost of living.

Comrade C. E. Wilson, of Central

Toronto, will feature the debate by

drawing attention to the lack of energy

by the government on above conditions,

pointing out the folly of its past inertia,

resulting in present disturbances.

The majority of the delegates are for

absolute government control of the

prices of foodstuffs and articles used by

the public and for the punishment of

war profiteers.

The reorganization of D.S.C.R. is one

of the big items on the agenda, although

indications point to greater interest in

this vital subject from eastern delegates

than from the west. There is no doubt

whatever but that resolutions will pass

calling for prompt and vigorous action

on what is regarded as of paramount

importance to returned men in general.

Membership qualification will be

settled during the sessions and provide

rich food for debate. This subject is a

very contentious one, with wide dif-

ferences of opinion. It is impossible to

forecast the result at present, although

if anything slightly favoring the open

door policy.

Several surprises are predicted during

the convention which will prove a

power to association for good and

example in large measure, the spirit

of the returned soldier, welded into a

tremendous force for furthering the

ideals for which they fought. The

1919 peace convention of the Great War

Veterans of Canada will reflect a glori-

ous victory of right over might, com-

pled with a determination to still "Carry

on" for Canada, the empire and the

principles of democracy.

(Special to The Record)

OTTAWA, June 30.—When the

Commons today was considering a

bill of Sir Thomas White's authorising

the government to make loans, Hon.

Rudolph Lemieux said that he had

not recently seen any reference in the

press to the purchase by Canada of the

Grand Trunk Railway. He pre-

sented that the negotiations were off

and that the project would not be

carried out. He was very glad be-

cause he calculated that it would

help Canada's credit abroad. He

thought railway purchases in the past

by the present government had not

given foreign investors confidence.

Sir Thomas White however, dis-

missed his mind: "The negotiations

**IN CARMEN DISPUTE**

**UNLESS PRESENT BOARD GETS**

**BUST**

TORONTO, June 30.—"I am going

to get a new board if this board does

not accomplish something right away,"

said Mayor Church early to-day. He

referred to the board of conciliation

consisting of Judge J. A. Barron, W. J.

Hievey, and Hon. F. H. Phippen, ap-

pointed to arbitrate in the matter of

the strike of the employees of the To-

ronto Railway Company.

"When I was in Ottawa," declared the

mayor, "both the Minister and the De-

puty Minister of Labor promised me

that the board would have arrived at a

definite result within five days from

the time that they began their investi-

gations. It seems as if they were not

doing the work for which they are

appointed but rather that they were

trying to act as peacekeepers and dip-

lomats. If they don't do something

right away I am going to try and get

a new board appointed."

**SEA IN MATTER**

TORONTO, June 30.—Confronted

by the question of whether or not the

talking over by the Ontario Railway

Board of the Toronto Railway Company

changed their status and rendered fur-

ther investigation useless, the Govern-

ment's Conciliation Board investi-

gating the dispute between the Toronto

Railway Company and its men, is

shortly before noon to-day, to

discuss the situation in the privacy

of the office of Hon. F. H. Phippen, who

was nominated by the company as its

representative on that body. Judge

Barron said that it was not likely that

a decision would be reached and that

the board would have to continue its

work for some time. He said that

he had no objection to the board's

work, but that he was not sure that

the board was doing its duty. He

### WINNIPEG STRIKE NOT CLEARED UP

COMPLAINTS OF SLOWNESS IN  
TAKING STRIKERS BACK

WINNIPEG, Man., June 30.—Labor

leaders are more than ever dissatisfied

with the slow progress in the reinstatement

of strikers. So far as can be

learned no definite action has been

taken with a view to calling "Protest"

strikes, although the strike committee

continues to receive reports from various

unions, which executive members

term "very unsatisfactory."

Doris Meakin, business agent of

telephone operators union, declares that

none of operators have been reinstated.

They have been reemployed, she

says, without regard for their seniority

in service. Miss Meakin also declares

that while many girls are demand-

ing that another strike be called,
