Was Agreeably Surprised
An enjoyable event took place at the home of Mr. and Mrs. Philip Rehkopf, 112 Wellington Street, when their niece, Miss Lottie Gaiser, was pleasantly surprised by a number of her young lady friends, the event being the occasion of her birthday. The following address was read by Miss Alberta Heck:

Dear Friend,
No doubt this is a surprise to you, but we your friends here to-night, thought that we couldn't let this opportunity pass without showing you in some way the high esteem in which you are held. We are here to pass a few pleasant hours with you on this the occasion of your birthday and to wish you many happy returns of the day, also to give you something by which to remember us in future years.

May you have good health and good luck wherever you may be through the rest of your years.
Signed,
Your Friends,
The evening was spent in music and games after which a dainty lunch was served.

Urges Prompt Buying Of Stone Quarries.
In his inaugural address, Warden Howes of Wellington County Council, dealt with the improvement of the county roads and the construction of Provincial highways. He recommended the immediate purchase of stone quarries and gravel pits at different centres throughout the county. He urged co-operation with other municipalities in endeavoring to secure the consent of the Ontario Government to construct the Provincial highway from Toronto to Windsor by the northern route through Guelph, Stratford and London. He also urged strict economy, consistent with efficient public service.

Are You Master
or does your business master you? Does it insist on following you home and to bed and worrying you day and night until you are on the verge of nervous collapse?
A few weeks' use of Dr. Chase's Nerve Food will do wonders for any business man or business woman whose nervous system has failed to stand the strain. It nourishes the nerves back to health and vigor.

About yourself
You MUST have a business education because business men demand it. Competition is keen and there is no chance for the untrained.
You MUST go to a business school for that training because it is the only efficient, quick-fire way of getting to the front.
