Suffice it to say, that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perfect restoration to

LETTER FROM ELDER H. L. GILMAN, A MINIS-TER OF THE GOSPEL IN VERMONT. GLOVER, Vt., June 20, 1859.

Messrs. S. W. Fowle & Son. Gents,-I hereby certify that I have been troubled for several years with a difficulty of the heart and lungs, have applied to several physicians for help, and have tried almost every remedy of the numerous ones which have been recommended, without receiving any assistance but had been growing weaker and weaker, until, hearing of Wistar's Balsam of Wild Cherry about a year since, I commenced using it, with immediate relief. It has not only restored my lungs to a sound state, but I am entirely relieved of the difficulty or disease of the heart. I have no hesication in saying that it is the best lung medicine before the public, and I cheerfully and conscientiously recommend it to all persons suffering with pulmonary complaints.
