Total Indians in Canada returned in the Census, 8,728. This is probably little more than half the number. A large portion of them on Lake Huron and in the Lower Province, reside beyond the limits of the Census enumeration.

The number of Coloured Persons in Canada East is only 743, residing nearly all in Bonaventure and Yamaska. Those in Canada West number 4,669, of whom there are in Essex, 1,871; in Toronto, 526; in Haldimand, 321; in York, 287; in Welland, 273; in Brant, 220; in Kent, 181; in Oxford, 123; in Wentworth, 141; in London, 115; in Kingston, 104; in Hamilton, 98. Eighteen Counties having no coloured persons, Glengarry having only two, and Bruce only one.

The table below gives the particulars of the numbers in each County, as well as the aggregate, so that those who wish to make their condition and improvement a special study, have a reliable report of the number and locality of the sufferers; and perhaps there is nothing which calls so loudly for legislative interference as some provision for the education and comfort of these unfortunate individuals, the supply of whose wants should be made a particular study by others, since it has pleased Providence to deprive them of the power to make known their own, and their parents and guardians have neither the kind of knowledge nor the other requisites necessary for furnishing them with that instruction, which a very large proportion of them are capable of receiving and appreciating. A more particular return of the residence and condition of these Mutes individually could be obtained and compiled in this
