## NEED TO TALK?

CAMPUS CONNECTION is York's peer counselling service which offers you free assistance by trained volunteers. These volunteers are fellow students who have all encountered and overcome many of the difficulties that confront everyone during their first year at York.

If you feel the need to talk to someone, someone your age who can help, drop by CAMPUS CONNECTION on the second floor, north tower, in the Ross Building. We are a student funded service run by caring fellow students who are willing to help, or just listen to any emotional, social, or academic concerns you may have. Our peer counsellors can help you cut through the red tape to drop that course you never wanted in the first place, we can give you directions, tell you how to become involved with your college, or even give you suggestions on how to achieve better marks at university.

Please feel free to drop by to talk, or to look at our collection of free pamphlets on health, sexuality, coping, and birth control.
