# Soccer strong Collings states

The 1975 season will have 240 teams playing in the association comprising of 215 boys' teams and 15 girls' clubs. Accordingly the enrollment has skyrocketed from 1,700 players last year to 3,500 in 1975.

# Library offers sports films

Ilie Nastase is one of the most colorful and controversial tennis players on the international professional tennis circuit.

He's also one of the best players, a fact that is well-demonstrated in a series of movies in Mississauga Library's collection.

In four 15-minute films, entitled Tennis: The Nasty Way, Nastase shows the backhand, forehand, strategy strokes, and serve and volley.

"Nasty" is the nickname for Nastase himself. He earned the title while amassing \$228,750 in prize money in 1973, the same year he was fined a record \$10,000 for misconduct on the court.

A Rumanian by birth, he won the national boys' title there at the age of 13 in 1959, and 10 years later, he and Ion Tiriac reached the final of the Davis Cup, a level of play which Nastase has maintained ever since.

Tennis: The Nasty Way is showing at Central Library on Thursday, May 22, at 8 p.m.; at Clarkson-Lorne Park Library at 7:15 p.m. Thursday, May 29; at Lakeview Library, Wednesday, June 4, at 7:15 p.m.; at Malton Library, Friday, June 13, at 7 p.m.; and at Woodlands Library, Wednesday, June 18 at 7 p.m.

Soccer fans can get a first-hand look at the game's top star this Friday, May 23, as Malton Library presents the movie Pele: The Master and His Method.

Admission is free to the 7 p.m. showing.

Malton Library is located at 3500 Morningstar Drive in Malton.

Getting a Cruiser and Cruiser Handling will be shown in the Good Sailing movie series at Lakeview Library at 7:15 p.m. on Tuesday, May 27.

Admission is free.
