Ottawa, 26th August, 1919.

My dear George,

It was most kind of you to have wired me your congratulations on the selection of myself as Leader of the Liberal party.

I appreciate exceedingly this expression of your friendship and confidence, for both of which I am deeply grateful.

You will understand, I am sure, the circumstances which have made it impossible for me to send an earlier acknowledgement of your kind message.

With warm personal regards, believe me

Yours sincerely,

Mr. Geo.R.Metcalf
