The above picture shows the farm buildings on the B₂-10-31-13 West 4th purchased by Mr. Johann Leischner at a price of \$30. per acre. \$3000 cash and balance on half crop payments. Does not get possession until December 1st next. He is at present working on farm stooking at \$4. per day. The family is residing with a friend at Castor. Included with the farm are 8 horses, 1 cow and a full line of machinery, also 100 bushels of seed wheat and 200 bushels of oats to be left on the farm. This man got a good buy as it is good land well located on main highway and excellent buildings. This man has every chance to make good, as he has his stock and equipment and feed and in addition to what he can earn this fall, informs us he has still \$500. on deposit with the Canadian National Land Settlement Association.
