PERSONAL.

Hon. Arthur Meighen,  
Ottawa, Ontario.

My dear Arthur:-

I regret that I was unable to see you during your visit at Calgary. I had no special reason other than to say 'Hello, and to wish you good luck.' However, it so happened that the two speakers from Calgary who were to take a large Meeting in the South Country on the evening of Friday the 9th instant - the date of your appointment at Calgary - flunked when it occurred to them they would miss your Meeting. Accordingly, I undertook to fill the gap and thereby missed the pleasure of a short personal interview with yourself - one of those pleasures to which I always look forward.

Things are looking pretty favorably in both East and West Calgary, and I know you will not be sorry to learn that all of the prominent Conservatives here have agreed to sink all their differences and are unitedly in the fight.

With warm regards.

Yours faithfully,

*G. D. Stanley*
