Ottawa, Ont., November 28, 1923.

Dear Mr. Robertson,

I thank you for your letter of the 7th instant, which I am very late in acknowledging owing to absence from the city.

As to hotel accommodation, there is no need to bother as I can look after this myself. If your Association insists on my being their guest though, I may say that I stay at the Ritz. I will be accompanied by my Private Secretary, Mr. A.W. Herriam.

Yours very truly,

D.B. Robertson, Esquire,

Brotherhood of Locomotive Firemen and
Enginemen,

Cleveland, Ohio.
