

059735

Dear Mr. D'Amours: *My dear Mr. D'Amours:*

At noon to-day your letter arrived and the splendid salmon a little later. I thank you very warmly for this evidence of your good will. There is nothing quite so tasty as a Canadian river salmon and my family, who are returning to-morrow will prize highly your generosity. I trust I may be able to see you in the not distant future.

Yours very truly,

MEIGHEN PAPERS, Series 3 (M.G. 26, I, Volume 104)
