February 5, 1951.

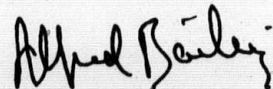

The Right Honourable Arthur Meighen  
Canadian General Securities Limited  
Bank of Montreal Building  
Toronto, Ontario

Dear Mr. Meighen,

Miss Alice Millar has written to ask us to return to you the correspondence with the late Viscount Bennett, which you had previously sent to her. We are accordingly forwarding it to you by registered mail, and hope that it reaches you promptly and safely. During the time that it has been here we have kept it under lock and key in the Viscount Bennett Room of the Bonar Law - Bennett Library of the University of New Brunswick, and no one has had access to this correspondence.

Lord Beaverbrook has provided a very beautiful room for the Bennett papers in the new wing which we owe to his kindness to us, and we hope eventually to have as complete a set of papers as possible relating to the late Lord Bennett.

Yours sincerely,

A. G. Bailey  
Honorary Librarian.
