Ottawa, 14th February, 1918.

Sir:-

Referring to your letter of the 7th instant, I beg to say that you may make payment of arrears of annuity money for 1917 to Fred Davis (Fletcher) for his wife when you are making payment of annuity money in 1918. This woman was not paid with her father No. 22 of English River Band in 1917, which is the reason that her husband should receive payment for her for that year.

Your obedient servant,

Asst. Deputy and Secretary.
