

**BALDNESS.**

A BEAUTIFUL HEAD OF HAIR is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being discovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives is consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth, with that heavy sinking gloom as does the loss of his hair.—To avert all these unpleasant circumstances, OLDIDGE'S BALM OF COLUMBIA stops the hair from falling out on the first application and a few bottles restores it again. It likewise prevents excoriations and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the best respectability in support of the virtues of Oldidge's Balm are shown by the proprietors.

Read the following:  
ROBERT WHARTON, Esquire, late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentleman:

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldidge, and have found it highly serviceable not only as a preventive against the falling out of hair, but also a certain restorative.

It will certainly raise its virtues in the estimation of the public, when it is known that three of the above signers are more than 50 years of age, and the others not less than 20.

From the Mayor,  
Commonwealth of Pennsylvania,  
City of Philadelphia.

I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with Messrs J. P. English John S. Furry, and Hugh McCurdy, whose names are signed to the above certificate that they are gentlemen of character and respectability, and as such, full credit should be given to the said certificate.

In witness whereof, I have hereunto set my hand, and caused the seal of the city to be affixed, this sixth day of December, &c.

**HEADACHE.**

DR. E. SPOHN, a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEAD ACHE, has the satisfaction to make known, that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and laboring under distress which might not only alleviate, but actually eradicate by the use of his medicine.

It is the result of scientific research, and is entirely of a different character from advertised patent medicine, and is not unpleasant to the taste. To be had of

**PROUDLEY'S ST. LAWRENCE HOTEL.**

MANY Masters of Vessels, Gentlemen and Families visiting Quebec, and seeking the accommodations of an Hotel, have been led into error by supposing that the subscriber occupies the house built on the spot where the St. Lawrence Hotel formerly stood, and which was kept by him previous to the fire by which it was destroyed. **MORISON'S UNIVERSAL MEDICINE.**

NOTICE.  
THE subscribers, general Agents for Morison's Pills, have appointed WILLIAM WHITEAKER, Sub-Agent for the Upper Town, No. 27 St. John Street.

LEGGE & Co.  
That the public may be able to form some idea of Morison's Pills by their great consumption, the following calculation was made by Mr. WISE, Clerk to the Stamp Office, Somerset House, in a period of six years, (part only of the time that Morison's Pills have been before the public,) the number of stamps delivered for that medicine amounted to three million, nine hundred, and one thousand.

The object in placing the foregoing before the public is to deduce therefrom the following powerful arguments in favour of Mr. Morison's system and to which the public attention is directed, namely, that it was only by trying an innocuous purgative medicine to such an extent that the truth of the Hygeian system could possibly have been established. It is clear that all the medical men in England, or the world, put together, have not tried a system of vegetable purgation to the extent and in manner prescribed by the Hygeia. How, therefore, can they (much less individually) know any thing about the extent of its properties?

GEORGE ARNOLD, PROPRIETOR,

Is now open for the reception of visitors. The situation and accommodation of the premises combine advantages unequalled by any similar establishment in Quebec, and as expressed in the Canadian. The arrangements have been made under the immediate superintendance of the proprietor, and as the business will be conducted by himself personally, every attention will be ensured to those who may favor him with their visits. To those gentlemen in particular who are connected with the business of the port, the situation of the premises, in the direct vicinity of the Steamer Boat Wharves, and Cutting House, offers great advantages; and to the public in general, the arrangements of the establishment are such as to present every convenience. On the ground floor are an extensive Saloon and Reading Room. On the first floor are two spacious rooms, which by means of folding doors between, may, who ever required, be converted into one magnificent apartment of 70 feet by 32 feet, and 15 feet high; dimension which render it a most eligible place for meetings, &c. A spacious gallery on the roof commands a splendid view of the harbor of Quebec and the surrounding country.

The Wines and other liquors of the establishment will be of the first order; refreshments of all kinds may be had throughout the day; and it will be the study of the proprietor in providing for his guests, to combine moderate charges, and superior accommodation.
