of most buildings with corrugated iron roofing or siding are exceptionally valuable-factories, barns, warehouses, elevators, etc. . . Only the best is good enough for such structures—Metallic Roofing Co,'s Corrugated Iron. . . . Absolutely free from defects —made from very finest sheets. . . . Each sheet is accurately squared, and the corrugations pressed one at a time—not rolled—giving an exact-fit without waste. . . Any desired size or gauge—galvanized or painted—straight or curved. Send us your specifications. N.B.—Insure the safety of your grain. A Metallic Portable Corrugated Granary protects against loss by lightning, fire and vermin—rats, mice, etc. Write us to-day for information. Also ask us to mail you our new illustrated catalogue, No. 70.
