Royals Should Have Had Both Games Yesterday Instead of One

Geo. S. Lyon Makes Record at Ottawa.

The Royals should have had both of yesterday's games for they earned them, but an even break was the best they, could pull out. After having the Bisons 6 to 5 with two down and two on in the 3th. Benny Purtell overthrew first base and let in the tieing and winning run.

Sisons 6 to 5 with two down and two on in the 9th, Benny Purtell overthrew first base and let in the tieing and winning run.

Both pitchers were hit freely in the first game, but in the second Bieber and Dale did better. Gene was especially effective, allowing only four hits and not allowing a man to complete the circuit. Dale's good pitching was backed up by splendid fielding. As a matter of fact it was the speedlest and most interesting game that has been played on Atwater Park in many a long day. Holstein and Flynn cut off two hot line drives in the same inning off successive batters and later on in the game Exchew and Vaughn made a couple of brilliant catches, the left fielder's performance being little short of sensational.

left fielder's performance being little short of sensational.

Rochester let Toronto down with two defeats yesterday, winning the morning sains 13 to 4, and the afternoon contest 5 to 4. The Hustlers used up three Toronto pitchers in the morning and made 18 bits in the afternoon; they got 8.
