### COGENT REASONS, WHY

— THE —

# CHATHAM

# WAGON

Adopted by the Government of the Dominion of Canada as the **STANDARD WAGON**, should command your preference:

The intrinsic cost and value of it is at least \$10 more than any other wagon made in Canada, and any unprejudiced practical man will tell you so, and the thousands who now have them in use say so, because it is not only made from the best, carefully selected and thoroughly seasoned timber and best of iron, but the **Skels** used, made only by us, are superior to any skels made or used in Canada, and are constructed specially to receive our **Climax Truss Rod**, which doubles the strength of the axle; the boxing of the hubs are **pressed**, not wedged in; a guarantee for a year accompanies each wagon, and notwithstanding this additional cost and superiority, the **Chatham Wagon** can be purchased at no greater price than is charged for inferior wagons. **Bear in mind** it is the running gear that carries the load, and no amount of fancy painting on the box will make an easy running and great carrier of a poorly constructed wagon.

Liberal Terms to Parties buying in Carload Lots. Correspondence solicited

**What Mr. Beyer says:** "Please accept my best thanks for the splendid seeds received from your firm. It would be a rather lengthy list if I should name all, but will say that amongst 38 first, and 3 second premiums awarded me at our fairs in Northern Indiana and Southern Michigan, 28 first premiums were for vegetable raised from your seeds. What firm can beat this?"  
AUGUST BEYER, So. Bend, Ind.  
Seed of this quality I am now ready to sell to every one who tills a farm or plants a garden, sending them **FREE** my Vegetable and Flower Seed Catalogue, for 1887. Old customers need not write for it. I catalogue this season the native wild potato.

The **St. Catharines Business College and Phonographic Institute**, established last January, has met with almost unprecedented success in both departments. The College Rooms are large, beautiful, light, and well furnished, and embrace the entire third story of Ontario Block. The course is eminently practical, and the instruction thorough. The Commercial Law alone is worth more than is charged for the whole course. It employs a larger staff of experienced teachers than will be found in any other Commercial College in Canada. It gives a Diploma in Shorthand as well as for the Business course. Gold and Silver Medals are also given in Shorthand. This College unquestionably stands at the head of Canadian Business Colleges.
