FOOT COMFORT

Proper boots ease the strain of a hard day's work—that's why every farmer should wear

PALMER-McLELLAN CHROME-OIL FARM BOOTS

Light in weight, easy on the feet, wearing like iron, these boots meet the needs of the farmer better than any other boot on the market. Made in the general style of a moccasin, from selected hides, tanned by our FAMOUS CHROME-OIL PROCESS. The leather used in them is soft and pliable and gives with the movements of the foot. Built on right and left lasts, with counters and soles, they are neat and give utmost support to the feet. They are as nearly waterproof, too, as boots can be made, and the Chrome-Oil Process of tanning keeps the leather from shrivelling up, hardening or cracking.

They'll give you greater comfort, satisfaction and wear for your money than any other boot made.
