Spray Your Orchards Now

This is what the Department of Agriculture of Canada are now doing, using the

Spramotor Automatic Power Sprayer

with the object of giving the farmer and fruit-grower lessons in spraying, which they do with the hope of this treatment being continued. The Government of your Province use the SPRAMOTOR. Isn't that a PROOF of its being the best machine obtainable?

WE ARE PREPARED

to supply you the apparatus as illustrated, comprising the following: 1 Spramotor, No. 2; 2 lineshose, each 10 feet; 2 hand valves; 2 bamboo extension rods; 2 two-nozzle clusters, for spraying; for \$28.00. This outfit will fully take care of 1,000 trees or less. If you do not require such a large outfit, write us for prices on a smaller one.

Do you think you can afford to refuse this? We will furnish full particulars on receipt of your enquiry. Please let us have it, addressed to

SPRAMOTOR COMPANY,
68-70 King St., LONDON, CAN.
