in the reach of any honest person on the easiest terms ever offered.

One dollar with coupon and a promise to pay less than seven cents a day-anyone can afford such a small sum to own an instrument that is not only a constant source of pleasure to children, friends and neighbors, but also familiarizes them with the latest and best in music. In your own home you can hear the voices of the great operatic singers; listen to the piano or violin solos of famous masters or laugh at the humorous dialogues of the "Minstrels." All vocal music from opera to the latest pop-

ular song; all instruments from piccolo solo to the full band of a famous regiment; music to suit all ages, any mood. Everything worth hearing in music, song and story, is at your command, if you have a

## liner Gram-o-p

The Berliner "Maroon" records, like the Gram-o-phones, are made in Canada. There are over 2,000 selec-tions to choose from, and three records are given free with each Gram-o-phone. Berliner Maroon records will wear ten times as long as any others. They are maroon-colored, and the public is warned against imita-tions of a green color which are advertised as "Maroon." Berliner records have the "dog on the back"—the guarantee of perfect reproduction of voice and instrument. Gram-o-phones and records are for sale by 1,800 agents in Canada, who will be glad to give or send full catalogue and list of records free on request, or from any of whom you can have your
