BOYS FOR FARM HELP.

The Managers of Dr. Barnardo's Homes invite applications from farmers, or others, for the boys who are arriving periodically from England to be placed in this country. The young immigrants are mostly between 11 and 15 years of age; all will have passed through a period of training in Dr. Barnardo's English Institutions, and will have been carefully selected with a view to their moral and physical suitability for Canadian life. Full particulars as to the terms and conditions upon which the boys are placed may be obtained upon application to Mr. Alfred R. Owen, Agent Dr. Barnardo's Homes, 214 Farley Ave., Toronto.

The Farmer's Advocate

Home Magazine

IS A WEEKLY FARM JOURNAL.

It is the only one in Canada. As a weekly it has made a great success, as a paying advertising medium.

An advertiser can reach more good buying people by placing copy in the Farmer's Advocate and Home Magazine than by any other paper published in Canada. In quality of circulation, and all the features that make a paper popular amongst readers, our magazine stands in a class by itself. Nothing approaches it.

Our readers are buyers. More and more advertisers are finding that out; also, a greater variety of advertisers. It's not one class only that is benefiting by using our columns. Every article that sells can be profitably advertised in our pages. Advertisers who once start with us keep on advertising year after year.

If you want to reach buyers and reach them quick, send us your advertisement.
