## The Horse that Never Eats!

Do you sometimes have to send in a hurry for a ball or two of binder twine to finish the field?

Or for a repair part for some machinery?

Or on a message to some neighbor?

Or to the nearest store or post office?

Or many other errands necessary to farm life?

Then it maybe has occurred to you what a wonderfully convenient time-saver a good bicycle really is. It saves taking a horse away from other work. Covers the distance much more quickly. Is always ready for use, and needs no hay or oats.

But it must be a good bicycle, well and honestly made. A cheaply-made bicycle is dear at any price. Then don't experiment.

Buy a Cleveland. One of the world's best. Covered by the broad guarantee of the makers. Either Cushion Frame or ordinary style. Write for the name of the nearest agent.
