People Who are Particular

About their watch repairs—people who want really first-class work done—people who want to feel that their time-piece is running as closely as it can be made to run—are the people who are building up our watch-repairing business. We do thorough, expert watch-repairing, and absolutely guarantee all our work. Send us a postcard for a mailing-box. On receipt of watch we will examine it and write you cost of repairs.
