**PAINFUL EVICTION SCENE IN THE COUNTY SLIGO.**

The Police Fire Upon an Unarmed Crowd of Men, Women and Children.

The following are the details of the conflict between the police and the peasantry of the little town of Clogher, county Sligo, on Saturday, April 2nd. The property there belongs to a family named Straffan, Co. Kildare. His tenants had refused to pay the rent demanded by Mr. French, and reduced rents offered by them were refused by him. He then gave directions for the issue of writs of eviction, and it was in consequence of the efforts to serve these writs that the sad transaction of Saturday occurred. The process-server had gone out with the writs on Thursday, but the opposition of the people effectually prevented the service of them. He then asked for the protection of the police which was granted, and he started on Saturday for Clogher, accompanied by a constable and three men from the constabulary. The appearance of the process-server and the police created the greatest possible excitement, and vast crowds of the peasantry gathered to the spot. The police drew across the road, and stopped the people from interfering with the process-server. The excitement became more and more every moment, and it is alleged by the police that stones were flung at them, and that their lives were in danger. The people on the other hand alleged that the police were no danger whatsoever, and that their subsequent action was utterly unjustifiable. As that as it may be, the police fired upon the people, and, unfortunately, fired with fatal effect, as two persons were seriously wounded. The crowd became infuriated—rushed upon the police—seized the firearms, and used them with fearful effect upon the constabulary. One constable was killed, and three were wounded. The shooting of the police fired upon the people, and, unfortunately, fired with fatal effect, as two persons were seriously wounded. The crowd became infuriated—rushed upon the police—seized the firearms, and used them with fearful effect upon the constabulary. One constable was killed, and three were wounded.

When you said that to him what did he do then? I held him for a while, and at last he ran himself out, and set him away, and he backed until there were nine or ten yards between us, and then he took aim at me. I stooped my head, and something struck me, and I heard the whiz of it going round by the back of my head. At the time he fired at me I saw no one in front of him, and I had not assaulted him in any way. We venture to say that the conduct here described will be condemned by all mankind as the most cruel and the most cowardly that could disgrace armed and uniformed men.

**EUGENIE DE GUERIN'S DEVOTION TO THE BLESSED VIRGIN AND ST. THERESA.**

"Here is another ornament for my room," she writes. "I have a picture of St. Theresa that I have been at length able to get framed. I was longing to have this beautiful saint before my eyes, above the table where I say my prayers, where I write, where I read. It will be an inspiration, helping me to pray, love and suffer well. I shall raise my heart and eyes to her in my prayers and my sadnesses. I begin at once to say:—  
"Look down on me from Heaven, blessed Saint Theresa; see me on my knees before your picture, contemplating the features of a lover of Jesus, with an earnest desire to have them engraved in me. Obtain for me this holy resemblance, obtain for me something of yourself; lend me your glance to seek for God, your mouth to pray to Him, your heart to love Him. May I obtain your courage in adversity, your meekness in suffering, your constancy in temptation."  
St. Theresa suffered for twenty years from disinclination to prayer without letting herself be disheartened. This is, of all her triumphs, the one that surprises me most. I am far from such constancy, but I like to remember that when I lost my mother I went, like St. Theresa, to throw myself at the feet of the Holy Virgin, and pray her to take me for her daughter. This occurred when I was thirteen."

**THE DETROIT, MACKINAC & MARQUETTE RAILROAD COM'Y**  
**NOW OFFER FOR SALE OVER 1,350,000 ACRES**  
Of the choicest FARMING and TIMBERED Lands in the Northern Peninsula of Michigan.  
Destined to be the best wheat producing region in the world. These lands are situated in the counties of Chippewa, Mackinac, Schoolcraft and Marquette, and embrace many thousands of acres of the best agricultural lands in the State of Michigan.  
Among those in the counties of Chippewa and Mackinac are tracts of what are known as the "hurd or cleared" lands. These lands offer many advantages over the prairie lands of the West, as the timber lands adjoining insure a supply of fuel at little cost. The soil being a rich clay loam of great depth. The timber remaining upon the land being generally sufficient for the settler's use in building and fencing.  
These partially cleared lands are now offered at the low price of from \$4 to \$5.50 per acre, one-fourth cash, and the remainder purchaser's option, at any time within nine years, with interest payable annually at seven per cent.  
Lands are being opened through these lands, and no better opportunity has ever been offered to men of small means to secure a good farm, and intending purchasers will be wise by availing themselves of this chance before prices advance, as the lands are being rapidly taken and settled upon.  
The lands more immediately on the line of the Detroit, Mackinac, and Marquette Railroad, from the Straits of Mackinac to Marquette, are more heavily timbered, and are almost universally good agricultural lands, leaving splendid farms when the timber is removed. The iron and lumber interests of the upper peninsula are of such magnitude as to call for all the charcoal and lumber that the timber and wood upon the lands will produce—this will enable the settler to make good wages while clearing the land.  
Lumber Mills and Charcoal Kilns will be built at various points along the line, and Furnaces are now being erected along the line of the road at Point St. Ignace.  
The great demand and good prices for labor, both in winter and summer, make these lands particularly desirable as homes for the poor man. The lands adjacent to the Railroad are offered at prices from \$3 upwards according to location, value of timber, etc. The lands are at your very door, and are being rapidly settled by Canadians.

**THE IMPERIAL HARVESTER**  
EQUIPPED WITH OUR NEW RAKE.  
When we tell you the Imperial Harvester is the most perfect reaping machine made, we also lay before you the facts in order that you can judge for yourselves. Not only does this machine possess more valuable patented improvements than any other machine made, but in construction it is the simplest in strength, and durability, combined with lightness, compactness, symmetry of design, convenience in handling and capacity for performing extraordinary ranges of work with ease and perfection, it has no equal. It is adapted to work on any farm field, in any kind of grain, and it possesses advantages over all others, equipped as it is with both of the acknowledged perfect rakes now in use, either of which farmers can choose when purchasing.  
Farmers, be not deceived by any statements made by agents anxious to sell you reapers of other makers. You now have the opportunity of purchasing the only perfect machine in the market, and do not let that opportunity slip from you.  
The Imperial is sold under full guarantee that it is just as we represent it. You run no risk in buying it. It will do all we say, and more too. Therefore send in your orders at once. It costs no more to purchase now than it will at harvest time. By having your machine at home before you require to use it, you will become so familiar with its construction and operation that when you begin harvesting you will be able to go right through without a single delay. This to every farmer is a matter of great importance.  
Our agents will have sample machines at different points for inspection during the winter and spring months, where you can see them and leave your orders. Or you can send your orders to us direct. We will ship you a machine, and if it does not fulfil every representation we make concerning it, when you receive it, send it back and we will return your order. This is the way we do business. In dealing with us you run no risk whatever. You want value for your money, and we want your custom, and if we would keep your custom we must give you the worth of your money. When you buy the Imperial you not only have the best machine made but you likewise have the cheapest, for the best is always the cheapest. The IMPERIAL HARVESTER can be obtained only at the Globe Works, London, Ontario, or through the regular agents of the Company. Bear this in mind and order your machine now.  
In your orders specify which rake you want, the "Johnston" or the "Imperial" rake shown in the above cut.
