DO YOU REALIZE the extent to which a freight elevator will aid the growth of your business?

Forming a direct and speedy method of keeping the "superfluous" out of your customers' way, an elevator thus makes your shop more inviting. It allows of storing needful things in your upper storey, and yet places you in a position to reach them in a minute's notice. In a word, no matter what class of business you are engaged in—modern methods demand that you call to your aid the use of a freight elevator, to facilitate the storing of, and the access to, reserve stock and merchandise.

Mail us the above clipping and afford us the opportunity of sending you our handsome illustrated booklet. It tells the great possibilities the freight elevator has in store for you.
