Kkovah Health Salt

*A teaspoonful in the
morning makes life
worth living—*

*Makes you fit—
Keeps you fit.*

STILL INCREASING!

THE proved value of Kkovah Health Salt has resulted in such an increased demand that we have had to establish a branch works in Toronto to deal with it, so that Kkovah is now "made in Canada."

There isn't a line in which you can have greater confidence both for quality and value. Strong publicity will still further increase the demand. Are you ready to meet it?
